

THE HARMONY GUIDES

220 more **Crochet**
STITCHES

VOLUME 7 includes all-over patterns, edgings and
trimmings, motifs, Irish style crochet

Abbreviations and Symbols

Joining Seams

Various methods can be used to join pieces of crochet. The use of the item will often dictate the method used, the seam could be invisible or decorative. Below are a few suggestions for joining pieces of crochet.

To join with an invisible seam, place pieces edge to edge with the wrong sides uppermost and whip stitch together.

To join invisibly using a crocheting hook, place right sides of pieces together and slip stitch through one loop of each piece as illustrated.

To create a decorative ridged seam on the right side of the work, place wrong sides together and join with double crochet working under two strands of each piece as illustrated.

Alternatively with the right side of both pieces uppermost they can be joined with a row of fancy openwork chains.

Pressing and Finishing

The methods you use to finish your crochet depend largely on what you are using it for and what yarn you have used.

Cotton

Cotton yarns benefit from being wetted or thoroughly steamed. If you are using household starch (as opposed to spray starch) now is the time to apply it, either by immersing the crocheted piece or dabbing the wet starch on to the material. Pin out very near to the edge, at very close intervals, stretching or easing the material to ensure that it is even. Ploots, bobbles or other intrinsic features should be carefully placed with a pin at this stage. Having satisfied yourself that the shape is correct, the work can now be pressed using a hot iron. Do not allow the full weight of the iron to rest on the work especially where interesting textures are involved. Remove the pins and if required make fine adjustments to the edges of the material to ensure that they are straight. Now leave until the work is thoroughly dry.

Motifs and Irish Style Pieces

Work as given above but leave the pins in position until the work is thoroughly dry. Ensure that all three-dimensional features show to their best advantage.

Other Yarns

In principal the methods given for working with cotton yarns apply, but you must read the finishing or pressing information usually included with your yarn. Not every yarn will be suitable for or require starching and some yarns cannot be pressed with a hot iron.

Abbreviations and Symbols

Listed below are the standard abbreviations and symbols that have been used for pages 13 to 84 of this book. Refer to pages 4 to 12 for more detailed instructions of these and other stitch variations. If a pattern contains an unusual combination of stitches these are explained in the Special Abbreviation at the beginning of that pattern.

Separate abbreviations and symbols have been used for the Tunisian stitches in this book and these have been given at the beginning of that section on pages 85 to 89.

Abbreviations

All = alternate, beg = begin(ning), ch(s) = chain(s), ch sp = chain space, cm = centimetre(s), dec = decrease, dc = double crochet, dir = double treble, htr = half treble, inc = increase, ins = inches, quadr = quadruple treble, quint = quintuple treble, rep = repeat, sl st = slip stitch, sp(s) = space(s), st(s) = stitch(es), tog = together, tr = treble, trtr = triple treble, yo = yarn over.

Basic Symbols used in Diagrams

The number of strokes crossing the stems of stitches longer than a half treble represents the number of times the yarn is wrapped over the hook **before** the hook is inserted into the work.

I. All-over Patterns

I.1

Starting chain: Multiple of 16 sts + 2.

1st row (right side): Work 2dc into 2nd ch from hook, *1dc into each of next 7ch, miss 1ch, 1dc into each of next 7ch, 3dc into next ch; rep from * to end omitting 1dc at end of last rep, turn.

2nd row: 1ch, work 2dc into first dc, *1dc into each of next 7dc, miss 2dc, 1dc into each of next 7dc, 3dc into next dc; rep from * to end omitting 1dc at end of last rep, turn.

Rep 2nd row only.

I.3

Starting chain: Multiple of 6 sts + 3.

Special Abbreviations

Tr2tog = work 1tr into each of next 2 sts until 1 loop of each remains on hook, yo and through all 3 loops on hook.

Half Cluster = work 1tr into each of next 3 sts until 1 loop of each remains on hook, yo and through all 4 loops on hook.

Cluster = work 1tr into each of next 5 sts until 1 loop of each remains on hook, yo and through all 6 loops on hook.

1st row (right side): Work 1r2tog working into 4th and 5th ch from hook, *3ch, 1dc into next ch, turn, 1ch, 1dc into last dc worked, 3dc into last 3ch sp formed, [turn, 1ch, 1dc into each of the 4dc] 3 times, work 1 cluster over next 5ch; rep from * to end but working half cluster at end of last rep, turn.

2nd row: 4ch (count as 1dtr), work 2dtr into top of first half cluster, miss 3dc, 1dc into next dc, *5dtr into top of next cluster, miss 3dc, 1dc into next dc; rep from * to last 1r2tog, 3dtr into top of 3ch at beg of previous row, turn.

3rd row: 3ch (count as 1tr), miss first dtr, work 1r2tog over next 2dtr, *3ch, 1dc into next dc, turn, 1ch, 1dc into last dc worked, 3dc into last 3ch sp formed, [turn, 1ch, 1dc into each of the 4dc] 3 times, work 1 cluster over next 5dtr; rep from * to end but working half cluster at end of last rep placing last tr of half cluster into 4th of 4ch at beg of previous row, turn.

Rep 2nd and 3rd rows ending with a 2nd row.

Diagram only: Rep 2nd and 3rd rows.

I.4

Starting chain: Multiple of 3 sts + 3.

Special Abbreviation

1tr1rl = work 1tr around stem of next st 2 rows below inserting hook round stem from right to left to draw up loops.

1st row (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row: 1ch, work 1dc into each dc to end, turn.

3rd row: 1ch, work 1dc into each of first 2dc, *1tr1rl round next dc 2 rows below, 1dc into each of next 2dc; rep from * to end, turn.

4th row: 1ch, work 1dc into each st to end, turn.

5th row: 1ch, work 1dc into each of first 2dc, *1tr1rl round stem of next tr1rl 2 rows below, 1dc into each of next 2dc; rep from * to end, turn.

Rep 4th and 5th rows.

I.2

Work as given for I.1 but working 1 row each in colours A, B and C throughout.

I. All-over Patterns

I.5

Starting chain: Multiple of 12 sts + 8.

Special Abbreviations

Puff st = "yo, insert hook into next st, yo and draw a loop through; rep from " 4 times more inserting hook into same st as before (11 loops on hook), yo and draw through 10 loops, yo and draw through 2 remaining loops.

1trtrf = work 1tr around stem of next st 2 rows below inserting hook round stem from right to left to draw up loops.

1st row (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd and every alt row: 1ch, work 1dc into each st to end, turn.

3rd row: 1ch, work 1dc into each of first 2dc, 1trtrf, 1dc into next dc, 1trtrf, "1dc into each of next 4dc, 1 puff st into next dc, 1dc into each of next 4dc, 1trtrf, 1dc into next dc, 1trtrf; rep from " to last 2dc, 1dc into each of last 2dc, turn.

5th row: 1ch, work 1dc into each of first 2dc, 1trtrf, 1dc into next dc, 1trtrf, "1dc into each of next 2dc, 1 puff st into next dc, 1dc into each of next 3dc, 1 puff st into next dc, 1dc into each of next 2dc, 1trtrf, 1dc into next dc, 1trtrf; rep from " to last 2dc, 1dc into each of last 2dc, turn.

7th row: As 3rd row.

9th row: 1ch, 1dc into each of first 2dc, 1trtrf, 1dc into next dc, 1trtrf, "1dc into each of next 2dc, 1trtrf, 1dc into next dc, 1trtrf; rep from " to last 2dc, 1dc into each of last 2dc, turn.

Rep 2nd to 9th rows.

● = Puff st } = 1 trtrf

I.6

Starting chain: Multiple of 12 sts + 11.

1st row (right side): Using A, work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row: Using A, 1ch, work 1dc into each dc to end, turn.

3rd row: Using B, 3ch (count as 1tr), miss first dc, 1tr into next dc, 1tr into next dc, 1dc into next dc, "2ch, miss 2dc, 1dc into next dc, 1tr into next dc, 1tr into each of next 2dc, 1tr into each of next 2dc, 1tr into next dc, 1dc into next dc; rep from " to last 6dc, 2ch, miss 2dc, 1dc into next dc, 1tr into next dc, 1tr into each of last 2dc, turn.

4th row: Using B, 3ch, miss first tr, work 1tr into next tr, 1tr into next tr, 1dc into next dc, "2ch, 1dc into next dc, 1tr into next tr, 1tr into each of next 2tr, 1tr into each of next 2tr, 1tr into next tr, 1tr into next tr, 1dc into next dc; rep from " to last 6 sts, 2ch, 1dc into next dc, 1tr into next tr, 1tr into next tr, 1tr into 3rd of 3ch at beg of previous row, turn.

5th row: Using A, 1ch, work 1dc into each of first 4 sts, [inserting hook from front of work, work 1dc into each of 2 free dc in A 3 rows below], "1dc into each of next 10 sts on previous row, work 2dc 3 rows below as before; rep from " to last 4 sts, 1dc into each of next 3 sts, 1dc into 3rd of 3ch at beg of previous row, turn.

6th row: Using A, 1ch, work 1dc into each dc to end, turn.

7th row: Using B, 1ch, "work 1dc into first dc, 1tr into next dc, 1tr into each of next 2dc, 1dc into each of next 2dc, 1tr into next dc, 1dc into next dc, 2ch, miss 2dc; rep from " to end omitting 2ch at end of last rep, turn.

8th row: Using B, 1ch, "work 1dc into next dc, 1tr into next tr, 1tr into each of next 2tr, 1tr into each of next 2tr, 1tr into each of next 2tr, 1tr into next dc, 2ch; rep from " to end omitting 2ch at end of last rep, turn.

9th row: Using A, 1ch, "1dc into each of next 10 sts, inserting hook from front of work, work 1dc into each of 2 free dc in A 3 rows below; rep from " to end omitting 2dc at end of last rep, turn.

Rep 2nd to 9th rows.

I.7

Work as given for I.5 but working 2 rows in A, 2 rows in B, 2 rows in A and 2 rows in C throughout.

Rep 2nd to 9th rows.

1.8

Starting chain: Multiple of 4 sts + 4.

1st row (right side): Using A, work 1tr into 4th ch from hook, 1tr into each ch to end, turn.

2nd row: Using A, 1ch, work 1dc into each tr to end working last dc into top of 3ch, turn.

3rd row: Using B, 3ch (count as 1tr), miss first dc, 1tr into next dc, *2ch, miss 2dc, 1tr into each of next 2dc; rep from * to end, turn.

4th row: Using B, 1ch, work 1dc into each of first 2tr, *2ch, 1dc into each of next 2tr; rep from * to end working last dc into 3rd of 3ch at beg of previous row, turn.

5th row: Using C, 1ch, 1dc into each of first 2dc, *1dc into each of the 2 missed dc 3 rows below, 1dc into each of next 2dc; rep from * to end, turn.

6th row: Using C, 1ch, 1dc into each dc and each tr across, turn.

7th row: Using A, 3ch, miss first dc, 1tr into each dc to end, turn.

8th row: Using A, 1ch, 1dc into each tr to end working last dc into 3rd of 3ch at beg of previous row, turn.

Rep 3rd to 8th rows.

1.9

Starting chain: Multiple of 4 sts + 2.

1st row (right side): Using A, work 1dc into 2nd ch from hook, 1dc into next ch, *1ch, miss 1ch, 1dc into each of next 3ch; rep from * to end omitting 1tr at end of last rep, turn.

2nd row: Using A, 3ch (count as 1tr), miss first dc, work 1tr into next dc, *1ch, miss 1ch, 1tr into each of next 3dc; rep from * to end omitting 1tr at end of last rep, turn.

3rd row: Using B, 1ch, work 1dc into each of first 2tr, 1dc into first missed starting ch, *1dc into next tr, 1ch, miss 1tr, 1dc into next tr, 1dc into next missed starting ch; rep from * to last 2tr, 1dc into next tr, 1dc into 3rd of 3ch at beg of previous row, turn.

4th row: Using B, 3ch, miss first dc, work 1tr into each of next 3 sts, *1ch, miss 1ch, 1tr into each of next 3 sts; rep from * to last dc, 1tr into last dc, turn.

5th row: Using C, 1ch, work 1dc into each of first 2tr, *1ch, miss 1tr, 1dc into next tr, 1dc into next missed tr 3 rows below, 1dc into next tr; rep from * to last 2tr, 1ch, miss 1tr, 1dc into next tr, 1dc into 3rd of 3ch at beg of previous row, turn.

6th row: Using C, 3ch, miss first dc, 1tr into next dc, *1ch, miss 1ch, 1tr into each of next 3 sts; rep from * to end omitting 1tr at end of last rep, turn.

7th row: Using A, 1ch, 1dc into each of first 2tr, 1dc into next missed tr 3 rows below, *1dc into next tr, 1ch, miss 1tr, 1dc into next tr, 1dc into next missed tr 3 rows below; rep from * to last 2tr, 1dc into each of last 2tr, turn.

8th row: As 4th row but using A instead of B.

Rep 5th to 8th rows continuing to work 2 rows each in colours B, C and A as set.

1.10

Starting chain: Multiple of 8 sts + 7.

Special Abbreviation

Bobbie = work 3tr into next dc until last loop of each tr remains on hook, yo and through all 4 loops.

Note: Count each dc, ch up and bobbie as 1 st throughout.

1st row (wrong side): Using A work 1tr into 4th ch from hook, 1tr into each of next 3ch, *3ch, miss 1ch, 1dc into next ch, 3ch, miss 1ch, 1tr into each of next 5ch; rep from * to end, turn.

2nd row: Using B, 1ch, work 1dc into each of first 5tr, *1ch, 1 bobbie into next dc, 1ch, 1dc into each of next 5tr; rep from * to end placing last dc into top of 3ch, turn.

3rd row: Using B, 6ch (count as 1tr, 3ch), miss first 2dc, 1dc into next dc, 3ch, *miss 1dc, 1tr into each of next 5 sts (see note above), 3ch, miss 1dc, 1dc into next dc, 3ch; rep from * to last 2dc, miss 1dc, 1tr into last dc, turn.

4th row: Using A, 1ch, work 1dc into first tr, 1ch, 1 bobbie into next dc, 1ch, *1dc into each of next 5tr, 1ch, 1 bobbie into next dc, 1ch; rep from * to last tr, 1dc into 3rd of 6ch at beg of previous row, turn.

5th row: Using A, 3ch (count as 1tr), miss first dc, 1tr into each of next 4 sts, *3ch, miss 1dc, 1dc into next dc, 3ch, miss 1dc, 1tr into each of next 5 sts; rep from * to end, turn.

Rep 2nd to 5th rows.

I. All-over Patterns

I.11

Starting chain: Multiple of 10 sts + 1.
Using A make the required number of chain.

1st row (right side): Using A, work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

2nd row: Using A, 3 ch (count as 1 tr), miss first dc, work 1 tr into each dc to end, turn.

3rd row: Using B, 1 ch, work 1 dc into each tr to end placing last dc into 3rd of 3 ch at beg of previous row, turn.

4th row: Using B, 1 ch, work 1 dc into each dc to end, turn.

5th row: Using A, 1 ch, work 1 dc into each of first 3 dc, 1 ch, miss 1 dc, 1 dc into each of next 2 dc, 1 ch, miss 1 dc, 1 dc into each of next 3 dc; rep from " to end omitting 3 dc at end of last rep, turn.

On 6th row work tr into ch **not** ch space.
Rep 2nd to 5th rows.

= 1 tr into missed dc 3 rows below.

6th row: Using A, 3 ch (count as 1 tr), miss first dc, 1 tr into each dc and into each ch to end, turn.

7th row: Using B, 1 ch, 1 dc into each of first 3 tr, "work 1 tr into 2nd missed dc 3 rows below, miss 1 tr, 1 dc into each of next 2 tr, 1 tr into first missed dc 3 rows below (thus crossing 2 tr), miss 1 tr, 1 dc into each of next 6 tr; rep from " to end omitting 3 dc at end of last rep and placing last dc into 3rd of 3 ch at beg of previous row, turn.

8th row: Using B, 1 ch, work 1 dc into each st to end, turn.

9th row: Using A, 1 ch, work 1 dc into each dc to end, turn.

Rep 2nd to 9th rows.

I.13

Starting chain: Multiple of 4 sts + 3.
Using A make the required number of chain.

1st row (right side): Using A, work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

2nd row: Using A, 3 ch (count as 1 tr), miss first dc, work 1 tr into each dc to end, turn.

3rd row: Using B, 1 ch, 1 dc into each of first 4 tr, 1 ch, miss 1 tr, "1 dc into each of next 3 tr, 1 ch, miss 1 tr; rep from " to last tr, 1 dc into 3rd of 3 ch at beg of previous row, turn.

4th row: Using B, 3 ch, miss first dc, work 1 tr into each ch and each dc to end, turn.

5th row: Using A, 1 ch, 1 dc into first tr, "1 tr into next missed tr 3 rows below, miss 1 tr on 4th row, 1 dc into each of next 3 tr; rep from " to last tr, 1 dc into 3rd of 3 ch at beg of previous row.

6th row: Using A, 3 ch, miss first dc, work 1 tr into each dc and each tr to end, turn.

7th row: Using B, 1 ch, work 1 dc into first tr, "1 ch, miss 1 tr, 1 dc into each of next 3 tr; rep from " to last tr, 1 dc into 3rd of 3 ch, turn.

8th row: Using B, 3 ch, miss first dc, work 1 tr into each dc and each ch to end, turn.

9th row: Using A, 1 ch, 1 dc into each of first 4 tr, work 1 tr into first missed tr 3 rows below, miss next tr, "1 dc into each of next 3 tr, 1 tr into next missed tr 3 rows below, miss next tr; rep from " to last tr, 1 dc into 3rd of 3 ch, turn.

10th row: Using A, 3 ch, miss first dc, work 1 tr into each tr and each dc to end, turn.

Rep 3rd to 10th rows.

= 1 tr into missed tr 3 rows below.

On 4th and 8th rows work tr into ch **not** ch space.

I.12

Starting chain: Multiple of 10 sts + 12.

Special Abbreviation

1 Circle = rotating work as required work 6 tr down and around stem of next tr 1 row below, then work 6 tr up and around stem of previous tr 1 row below.

1st row (right side): Work 1 tr into 4th ch from hook, 1 tr into each ch to end, turn.

2nd row: 3 ch (count as 1 tr), miss first tr, work 1 tr into each tr to end working last tr into 3rd of 3 ch at beg of previous row, turn.

3rd row: 3 ch, miss first tr, work 1 tr into each of next 4 tr, "work 1 circle, working behind circle work 1 tr into each of next 10 tr; rep from " to end omitting 5 tr at end of last rep and working last tr into 3rd of 3 ch at beg of previous row, turn.

4th, 5th and 6th rows: 3 ch, miss first tr, work 1 tr into each tr to end working last tr into 3rd of 3 ch at beg of previous row, turn.

7th row: 3 ch, miss first tr, work 1 tr into each of next 9 tr, "work 1 circle, 1 tr into each of next 10 tr; rep from " to end working last tr into 3rd of 3 ch, turn.

8th and 9th rows: 3 ch, miss first tr, work 1 tr into each tr to end working last tr into 3rd of 3 ch, turn.

Rep 2nd to 9th rows.

= 1 Circle

Starting chain: Multiple of 12 sts + 6.

Special Abbreviation

Bobble = working in front of work, work 5tr into ch sp 2 rows below until 1 loop of each tr remains on hook, yo and through all 6 loops.

1st row (right side): Work 1dc into 2nd ch from hook, 1dc into next ch, 1ch, miss 1ch, *1dc into each of next 11 sts, 1ch, miss 1ch; rep from * to last 2ch, 1dc into each of last 2ch, turn.

2nd row: 3ch (count as 1tr), miss first dc, work 1tr into next dc, 1ch, miss 1ch sp, *1dc into each of next 11 sts, 1ch, miss 1ch sp; rep from * to last 2dc, 1tr into each of last 2dc, turn.

3rd row: 1ch, work 1dc into each of first 2tr, 1 bobble into ch sp 2 rows below, *1dc into next tr, 1ch, miss 1tr, 1dc into each of next 7tr, 1ch, miss 1tr, 1dc into next tr, 1 bobble into ch sp 2 rows below; rep from * to last 2tr, 1dc into next tr, 1dc into 3rd of 3ch at beg of previous row, turn.

4th row: 3ch, miss first dc, 1tr into each of next 3 sts, *1ch, miss 1ch sp, 1tr into each of next 7 sts, 1ch, miss 1ch sp, 1tr into each of next 3 sts; rep from * to last dc, 1tr into last dc, turn.

5th row: 1ch, work 1dc into each of first 4tr, *1 bobble into ch sp 2 rows below, 1dc into next tr, 1ch, miss 1tr, 1dc into each of next 3tr, 1ch, miss 1tr, 1dc into next tr, 1 bobble into ch sp 2 rows below, 1dc into each of next 3tr; rep from * to last st, 1dc into 3rd of 3ch at beg of previous row, turn.

6th row: 3ch, miss first dc, work 1tr into each of next 5 sts, *1ch, miss 1ch sp, 1tr into each of next 3 sts, 1ch, miss 1ch sp, 1tr into each of next 7 sts; rep from * to end omitting 1tr at end of last rep, turn.

7th row: 1ch, work 1dc into each of first 6tr, *1 bobble into ch sp 2 rows below, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr, 1 bobble into ch sp 2 rows below, 1dc into each of next 7tr; rep from * to end omitting 1dc at end of last rep, turn.

8th row: 3ch, miss first dc, work 1tr into each of next 7 sts, 1ch, miss 1ch sp, *1tr into each of next 11 sts, 1ch, miss 1ch sp; rep from * to last 8 sts, 1tr into each of last 8sts, turn.

9th row: 1ch, work 1dc into each of first 8tr, *1ch, miss 1tr, 1dc into next tr, 1 bobble into ch sp 2 rows below, 1dc into next tr, 1ch, miss 1tr, 1dc into each of next 7tr; rep from * to end omitting 1dc at end of last rep, turn.

10th row: As 6th row.

11th row: 1ch, work 1dc into each of first 4tr, *1ch, miss 1tr, 1dc into next tr, 1 bobble into ch sp 2 rows below, 1dc into each of next 3tr, 1 bobble into ch sp 2 rows below, 1dc into next tr, 1ch, miss 1tr, 1dc into each of next 3tr; rep from * to last tr, 1dc into 3rd of 3ch, turn.

12th row: As 4th row.

13th row: 1ch, 1dc into each of first 2tr, 1ch, miss 1tr, 1dc into next tr, *1 bobble into ch sp 2 rows below, 1dc into each of next 7tr, 1 bobble into ch sp 2 rows below, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr; rep from * to last tr, 1dc into 3rd of 3ch, turn.

Rep 2nd to 13th rows.

= Bobble

Starting chain: Multiple of 10 sts + 1.

Using A make the required number of chain.

1st row (wrong side): Using A, work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row: Using B, 1ch, work 1dc into each of first 8dc, *1ch, miss 1dc, 1dc into each of next 2dc, 1ch, miss 1dc, 1dc into each of next 6dc; rep from * to last 2dc, 1dc into each dc to end, turn.

3rd row: Using B, 3ch (count as 1tr), miss first dc, work 1tr into each dc and into each ch to end, turn.

4th row: Using A, 1ch, work 1dc into each of first 8tr, *work 1tr into 2nd missed dc 3 rows below, miss 1tr, 1dc into each of next 6tr; rep from * to last 2tr, 1dc into next tr, 1dc into 3rd of 3ch at beg of previous row, turn.

5th row: Using A, 1ch, work 1dc into each st to end, turn.

6th row: Using B, 1ch, work 1dc into each of first 3dc, *1ch, miss 1dc, 1dc into each of next 2dc, 1ch, miss 1dc, 1dc into each of next 6dc; rep from * to end omitting 3dc at end of last rep, turn.

7th row: Using B, 3ch, miss first dc, 1tr into each dc and into each ch to end, turn.

8th row: Using A, 1ch, 1dc into each of first 3tr, *work 1tr into 2nd missed dc 3 rows below, miss 1tr, 1dc into each of next 2tr, 1tr into first missed dc 3 rows below (thus crossing 2tr), miss 1tr, 1dc into each of next 6tr; rep from * to end omitting 3dc at end of last rep and placing last dc into 3rd of 3ch at beg of previous row, turn.

9th row: Using A, 1ch, work 1dc into each st to end, turn.

Rep 2nd to 9th rows.

1tr into missed dc 3 rows below.

On 3rd and 7th rows work 1tr into ch next ch space.

I. All-over Patterns

I.16

Starting chain: Multiple of 10 sts + 10.

Special Abbreviations

Lower Cluster = work 5dtr into next missed dc 2 rows below.

Upper Cluster = [yo] twice then insert hook from right to left round stem of next dc 2 rows below, work 1dtr in usual way until last loop of dtr remains on hook; rep from * 4 times more, yo and through all 6 loops.

Note: Count each ch sp as 1 st throughout.

1st row (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row: 3ch (count as 1tr), miss 1tr, work 1tr into each of next 3dc, *1ch, miss 1dc, 1tr into each of next 9 sts; rep from * to end omitting 5tr at end of last rep, turn.

3rd row: 1ch, work 1dc into each of first 2tr, *work lower cluster, miss 5 sts of previous row, 1dc into each of next 5tr; rep from * to end omitting 3dc at end of last rep and placing last dc into 3rd of 3ch at beg of bag of previous row, turn.

4th row: 3ch, miss first dc, work 1tr into each st to end, turn.

5th row: 1ch, work 1dc into each of first 4tr, *work upper cluster over next 5dtr 2 rows below, miss next tr on previous row, 1dc into each of next 9tr; rep from * to end omitting 5dc at end of last rep and placing last dc into 3rd of 3ch at beg of previous row, turn.

6th row: 3ch, miss first dc, work 1tr into each of next 8 sts, *1ch, miss 1dc, 1tr into each of next 9 sts; rep from * to end.

I.17

Starting chain: Multiple of 4 sts + 4.

Special Abbreviation

Dtr2tog 3 rows below = work 1dtr into same st as last dtr until last loop of dtr remains on hook, miss 3 sts, work 1dtr into next missed st 3 rows below until last loop of dtr remains on hook, yo and through all 3 loops. **Note:** Sts either side of dtr2tog must be worked behind dtr2tog.

7th row: 1ch, work 1dc into each of first 7tr, *work lower cluster, miss 5 sts of previous row, 1dc into each of next 5tr, rep from * to last 2tr, 1dc into each of last 2tr, working last dc into 3rd of 3ch at beg of previous row, turn.

8th row: 3ch, miss first dc, work 1tr into each st to end, turn.

9th row: 1ch, work 1dc into each of first 5tr, *work upper cluster over next 5dtr 2 rows below, miss next tr on previous row, 1dc into each of next 9tr; rep from * to end placing last dc into 3rd of 3ch at beg of previous row, turn.

Rep 2nd to 9th rows.

= Lower cluster

= Upper cluster

Using A make required number of chain.

1st row (right side): Using A, work 1dc into 2nd ch from hook, 1dc into each of next 2ch, *1ch, miss 1ch, 1dc into each of next 3ch; rep from * to end, turn.

2nd row: Using A, 3ch (count as 1tr), miss first dc, work 1tr into each st to end (working into actual st of each ch, not into ch sp), turn.

3rd row: Using B, 1ch, 1dc into first tr, 1dtr into first missed starting ch, miss 1tr on 2nd row, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr, *dtr2tog 3 rows below (into missed starting ch), miss 1tr on 2nd row, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr; rep from * to last 2tr, 1dtr into same ch as 2nd leg of last dtr2tog, miss 1tr, 1dc into 3rd of 3ch at beg of previous row, turn.

4th row: Using B, 3ch, miss first dc, work 1tr into each st to end, turn.

5th row: Using A, 1ch, 1dc into first tr, 1dtr into next missed tr 3 rows below, miss 1tr on previous row, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr, *dtr2tog 3 rows below, miss 1tr on previous row, 1dc into next tr, 1ch, miss 1tr, 1dc into next tr; rep from * to last 2tr, 1dtr into same tr as 2nd leg of last dtr2tog, miss 1tr, 1dc into 3rd of 3ch at beg of previous row, turn.

6th row: As 4th row but using A instead of B.

7th row: As 5th row but using B instead of A.

Rep 4th to 7th rows.

Work tr into actual st of ch on wrong side rows, not into ch sp.

I.18

Work as given for I.17 but using one colour throughout.

1.19

1.20

Starting chain: Multiple of 3 sts + 5.

Special Abbreviation

Cluster4 = work 3tr over stem of tr just worked but leaving last loop of each tr on hook, then work 4th tr as indicated leaving last loop as before (5 loops on hook), yo and through all 5 loops.

1st row (right side): Work 1tr into 6th ch from hook, *3ch, miss 2ch, work cluster4 placing 4th tr into next ch; rep from * to last 2ch, 3ch, work cluster4 placing 4th tr in last ch, turn.

2nd row: 3ch (count as 1tr), 1tr into next 2ch sp, *3ch, work cluster4 placing 4th tr into next 3ch sp; rep from * to end placing last tr into top of ch at beg of previous row, turn.

Rep 2nd row.

 = Cluster4

Diagram only: Rep 2nd and 3rd rows.

Starting chain: Multiple of 4 sts + 6.

Special Abbreviation

Cluster = work 3tr into next st until 1 loop of each remains on hook, yo and through all 4 loops on hook.

1st row (right side): Work 1 cluster into 5th ch from hook (1tr, 1ch formed at beg of row), 1ch, miss 2ch, 1dc into next ch, *3ch, 1 cluster into next ch, 1ch, miss 2ch, 1dc into next ch; rep from * to last 2ch, 2ch, 1tr into last ch, turn.

2nd row: 4ch (count as 1tr, 1ch), 1 cluster into first 2ch sp, 1ch, *1dc into next 3ch sp, 3ch, 1 cluster into same sp as last dc, 1ch; rep from * to last ch sp, 1dc into last ch sp, 2ch, 1tr into 3rd of 4ch at beg of previous row, turn.

Rep 2nd row.

 or  = Cluster

Diagram only: Rep 2nd and 3rd rows.

1.21

Starting chain: Multiple of 8 sts + 8.

Special Abbreviation

Popcorn = work 4tr into next st, drop loop from hook, insert hook from the front into top of first of these tr, pick up dropped loop and draw through tr, 1ch to secure popcorn.

1st row (right side): Work 1dc into 2nd ch from hook, *1ch, miss 3ch, 1tr into next ch, 1ch, into same ch as last tr work [1tr, 1ch, 1tr], 1ch, miss 3ch, 1dc into next ch; rep from * to end, turn.

2nd row: 6ch (count as 1tr, 3ch), miss 1tr, 1dc into next tr, *3ch, 1 popcorn into next dc, 3ch, miss 1tr, 1dc into next tr; rep from * to last dc, 3ch, 1tr into last dc, turn.

1.22

Starting chain: Multiple of 8 sts + 2.

Special Abbreviations

Cr3R (Cross 3 Right) = miss 2dc, work 1dc into next dc, working behind last dc work 1tr into each of 2 missed dc.

Cr3L (Cross 3 Left) = miss 1dc, work 1tr into each of next 2dc, working in front of last 2tr work 1dc into missed dc.

1st row (wrong side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row: 3ch (count as 1tr), miss first dc, *Cr3R, 1tr into next dc, Cr3L, 1tr into next dc; rep from * to end, turn.

3rd row: 1ch, work 1dc into each st to end placing last dc into 3rd of 3ch at beg of previous row, turn.

Rep 2nd and 3rd rows.

 = Cr3R  = Cr3L

3rd row: 1ch, 1dc into first tr, *1ch, 1tr into next dc, 1ch, into same st as last tr work [1tr, 1ch, 1tr], 1ch, 1dc into top of next popcorn, rep from * to end, placing last dc into 3rd of 6ch at beg of previous row, turn.

Rep 2nd and 3rd rows.

 = Popcorn

I. All-over Patterns

I.23

Starting chain: Multiple of 20 sts + 25.

Special Abbreviations

Trilog = work 2tr into next st until 1 loop of each remains on hook, yo and through all 3 loops on hook.

Bobble = work 3tr into next st until 1 loop of each remains on hook, yo and through all 4 loops on hook.

1st row (right side): Work 1dc into 7th ch from hook, 5ch, miss 3ch, 1dc into next ch, 1ch, miss 3ch, into next ch work [1 bobble, 1ch] 3 times, "miss 3ch, 1dc into next ch, [5ch, miss 3ch, 1dc into next ch] 3 times, 1ch, miss 3ch, into next ch work [1 bobble, 1ch] 3 times; rep from " to last 10ch, miss 3ch, 1dc into next ch, 5ch, miss 3ch, 1dc into next ch, 2ch, 1tr into last ch, turn.

2nd row: 1ch, 1dc into first tr, 5ch, 1dc into first 5ch arch, 1ch, [1 bobble into next ch sp, 1ch] 4 times, "1dc into next 5ch arch, [5ch, 1dc into next 5ch arch] twice, 1ch, [1 bobble into next ch sp, 1ch] 4 times; rep from " to last 2 arches, 1dc into next 5ch arch, 5ch, miss 2ch, 1dc into next ch, turn.

3rd row: 5ch (count as 1tr, 2ch), 1dc into first 5ch arch, 1ch, [1 bobble into next ch sp, 1ch] 5 times, "1dc into next 5ch arch, 5ch, 1dc into next 5ch arch, 1ch, [1 bobble into next ch sp, 1ch] 5 times; rep from " to last arch, 1dc into last arch, 2ch, 1tr into last dc, turn.

4th row: 1ch, 1dc into first tr, miss 2ch sp, "2ch, [1 bobble into next ch sp, 2ch] 6 times, 1dc into next 5ch arch; rep from " to end placing last dc into 3rd of 5ch at beg of previous row, turn.

5th row: 5ch (count as 1tr, 2ch), miss first 2ch sp, 1dc into next 5ch sp, [5ch, 1dc into next 2ch sp] 4 times, "1ch, into next dc work [1tr, 1ch] twice, miss next 2ch sp, 1dc into next 2ch sp, [5ch, 1dc into next 2ch sp] 4 times; rep from " to last 2ch sp, 2ch, 1tr into last dc, turn.

6th row: 3ch (count as 1tr), into first tr work [1tr, 1ch, 1 bobble], 1ch, 1dc into next 5ch arch, [5ch, 1dc into next 5ch arch] 3 times, "1ch, miss 1ch sp, into next ch sp work [1 bobble, 1ch] 3 times, 1dc into next 5ch arch, [5ch, 1dc into next 5ch arch] 3 times; rep from " to last sp, 1ch, into 3rd of 5ch at beg of previous row work [1 bobble, 1ch, trilog], turn.

7th row: 3ch (count as 1tr), [1 bobble into next ch sp, 1ch] twice, 1dc into first 5ch arch, [5ch, 1dc into next 5ch arch] twice, "1ch, [1 bobble into next ch sp, 1ch] 4 times, 1dc into next 5ch arch, [5ch, 1dc into next 5ch arch] twice; rep from " to last bobble, [1ch, 1 bobble into next ch sp] twice, 1tr into 3rd of 3ch at beg of previous row, turn.

8th row: 3ch, 1tr into first tr, 1ch, [1 bobble into next ch sp, 1ch] twice, 1dc into next 5ch arch, 5ch, 1dc into next 5ch arch, "1ch, [1 bobble into next ch sp, 1ch] 5 times, 1dc into next 5ch arch, 5ch, 1dc into next 5ch arch; rep from " to last 2 bobbles, 1ch, [1 bobble into next ch sp, 1ch] twice, trilog into 3rd of 3ch at beg of previous row, turn.

9th row: 4ch (count as 1tr, 1ch), [1 bobble into next ch sp, 2ch] 3 times, 1dc into next 5ch arch, "2ch, [1 bobble into next ch sp, 2ch] 6 times, 1dc into next 5ch arch; rep from " to last 2 bobbles, [2ch, 1 bobble into next ch sp] 3 times, 1ch, 1tr into 3rd of 3ch at beg of previous row, turn.

10th row: 1ch, 1dc into first tr, 5ch, miss first ch sp, 1dc into next 2ch sp, 5ch, 1dc into next 2ch sp, 1ch, into next dc work [1tr, 1ch] twice, "miss next 2ch sp, 1dc into next 2ch sp, [5ch, 1dc into next 2ch sp] 4 times, 1ch, into next dc work [1tr, 1ch] twice; rep from " to last 3 bobbles, miss next 2ch sp, [1dc into next 2ch sp, 5ch] twice, 1dc into 3rd of 4ch at beg of previous row, turn.

11th row: 5ch (count as 1tr, 2ch), 1dc into first 5ch arch, 5ch, 1dc into next 5ch arch, 1ch, miss 1ch sp, into next ch sp work [1 bobble, 1ch] 3 times, "1dc into next 5ch arch, [5ch, 1dc into next 5ch arch] 3 times, 1ch, miss 1ch sp, into next ch sp work [1 bobble, 1ch] 3 times; rep from " to last 2 arches, 1dc into next 5ch arch, 5ch, 1dc into next 5ch arch, 2ch, 1tr into last dc, turn.

Rep 2nd to 11th rows.

I.24

Starting chain: Multiple of 6 sts + 2.

1st row (right side): Work 1dc into 2nd st from hook, "miss 2ch, 1tr into next ch, 2ch, into same ch as last tr work [1tr, 2ch, 1tr, miss 2ch, 1dc into next ch; rep from " to end, turn.

2nd row: 5ch (count as 1tr, 2ch), 1tr into first dc, miss 1tr, 1dc into next tr, "1tr into next dc, 2ch, into same st as last tr work [1tr, 2ch, 1tr, miss 1tr, 1dc into next tr; rep from " to last dc, into last dc work [1tr, 2ch, 1tr], turn.

3rd row: 1ch, 1dc into first tr, "1tr into next dc, 2ch, into same st as last tr work [1tr, 2ch, 1tr, miss 1tr, 1dc into next tr; rep from " to end placing last dc into 3rd of 5ch at beg of previous row, turn.

Rep 2nd and 3rd rows.

Work as 1.27 but working 1st and 2nd rows in A, then work 3 rows each in B, C and A throughout

1.29

Work as 1.27 but working 1st and 2nd rows in A then 3 rows each in B and A throughout. Note: Cut yarn after each colour change

Introduction

About Crochet

Traditionally crochet was worked almost exclusively in very fine cotton yarn to create or embellish household items such as curtains, table cloths or place mats. Crochet was often added as decoration or trimming on collars and fine lawn handkerchiefs. The fin on the front of a man's shirt was often crochet work.

With the increase in the availability of yarn in a wide variety of textures and colours we are no longer limited to just these articles when we consider ways to use the craft of crochet. The samples in this book were worked in a fine mercerised cotton but may take on a totally different appearance if different yarns are used. The lacy stitches probably look their best in these smooth threads, but some of the all over stitches and many of the Tunisian stitches can be more interesting when worked in tweedy or textured yarns.

Equipment

Crochet Hooks

Crochet hooks are usually made from steel, aluminium or plastic in a range of sizes according to their diameter. As each crochet stitch is worked separately until only one loop remains on the hook, space is not needed to hold stitches and the hooks are made to a standard convenient length.

Holding the Hook and Yarn

There are no hard and fast rules as to the best way to hold the hook and yarn. The diagrams below show just one method but choose whichever way you find the most comfortable.

Due to the restrictions of space it is not possible to show diagrams for both right and left handed people. Left handers may find it easier to trace the diagrams and then turn the tracing paper over, thus reversing the image, alternatively reflect the diagrams in a mirror. Read left for right and right for left where applicable.

The hook is held in the right hand as if holding a pencil.

To maintain the slight tension in the yarn necessary for easy, even working, it can help to arrange the yarn around the fingers of the left hand in this way.

The left hand holds the work and at the same time controls the yarn supply. The left hand middle finger is used to manipulate the yarn, while the index finger and thumb hold on to the work.

To Start

Almost all crochet begins with a base or starting chain, which is a series of chain stitches, beginning with a slip knot.

Slip Knot

Make a loop then hook another loop through it. Tighten gently and slide the knot up to the hook.

Yarn Over (yo)

Wrap the yarn from back to front over the hook (or hold the yarn still and manoeuvre the hook). The movement of the yarn over the hook is used over and over again in crochet and is usually called 'yarn over' abbreviated as yo.

Chain Stitch (ch ○)

Yarn over and draw the yarn through to form a new loop without tightening up the previous one.

Repeat to form as many chains as required. Do not pull the slip knot as a stitch.

Note: Unless otherwise stated, when working into the starting chain always work under two strands of chain loop as shown in the diagram.

I. All-over Patterns

I.30

Starting chain: Multiple of 8 sts + 2

1st row (wrong side). Work 1dc into 2nd ch from hook. 1dc into each ch to end. Turn.

2nd row: 1ch, 1dc into each of first 3dc. *5ch, miss 3dc, 1dc into each of next 5dc rep from * to end omitting 2dc at end of last rep. Turn.

3rd row: 1ch, 1dc into each of first 2dc. *3ch, 1dc into next 5ch arch. 3ch, miss 1dc, 1dc into each of next 3dc. rep from * to end omitting 1dc at end of last rep. Turn.

4th row: 1ch, 1dc into first dc. *3ch, 1dc into next 3ch arch. 3ch, miss 1dc, 1dc into next dc. rep from * to end. Turn.

5th row: 5ch (count as 1tr, 2ch), 1dc into next 3ch arch. 1dc into each of next 3dc. 1dc into next 3ch arch. *5ch, 1dc into next 3ch arch. 1dc into each of next 3dc. 1dc into next 3ch arch. rep from * to last dc. 2ch. 1tr into last dc. Turn.

6th row: 1ch, 1dc into first tr. 3ch, miss 1dc, 1dc into each of next 3dc. *3ch, 1dc into next 5ch arch. 3ch, miss 1dc, 1dc into each of next 3dc. rep from * to last 2ch arch. 3ch. 1dc into 3rd of 5ch at beg of previous row. Turn.

7th row: 1ch, 1dc into first dc. 1dc into first 3ch arch. 3ch, miss 1dc, 1dc into next dc. *3ch, 1dc into next 3ch arch. 1dc into next dc. 1dc into next 3ch arch. 3ch, miss 1dc, 1dc into next dc. rep from * to last 3ch arch. 3ch. 1dc into 3ch arch. 1dc into last dc. Turn.

8th row: 1ch, 1dc into each of first 2dc. *1dc into next 3ch arch. 5ch, 1dc into next 3ch arch. 1dc into each of next 3dc. rep from * to end omitting 1dc at end of last rep. Turn.

Rep 3rd to 8th rows.

I.32

Starting chain: Multiple of 10 sts + 2

Special Abbreviations

Bobble - Work 4tr into next st until 1 loop of each remains on hook. yo and through all 5 loops on hook.

Tr2tog - Work 2tr into next st until 1 loop of each remains on hook. yo and through all 3 loops on hook.

1st row (wrong side). Work 1dc into 2nd or 4th ch from hook. 1dc into each of next 2ch. *5ch, miss 2tr. 1tr into next 3ch. 3ch, miss 2ch, 1dc into 4th of next 5ch. rep from * to end omitting 2dc at end of last rep. Turn.

2nd row: 1tr. 1dc into each of first 2dc. *3ch, 1dc into next 1ch. 3ch, miss 1dc, 1dc into next bobble. 1dc into next 3ch. rep from * to end omitting 1dc at end of last rep. Turn.

3rd row: 3ch (count as 1tr, 1tr into last dc (half bobble made at beg of row). *3ch, 1dc into next 3ch sp. 1dc into each of next 3dc. 1dc into next 3ch sp. 3ch, miss 1dc, 1dc into next dc. rep from * to end but working half bobble of tr2tog at end of last rep. Turn.

4th row: 1ch, 1dc into top of half bobble. 1dc into first 3ch sp. 3ch, miss 1dc, 1dc into each of next 3dc. *3ch, 1dc into next 3ch sp. 1dc into top of next bobble. 1dc into next 3ch sp. 3ch, miss 1dc, 1dc into each of next 3dc. rep from * to last 3ch sp. 3ch. 1dc into last 3ch sp. 1dc into 3rd of 3ch at beg of previous row. Turn.

5th row: 1ch, 1dc into each of last 2dc. 1dc into next 3ch sp. 3ch, miss 1dc, 1dc into next dc. 3ch, 1dc into next 3ch sp. 1dc into each of next 3dc. rep from * to end omitting 1dc at end of last rep. Turn.

Rep 2nd to 5th rows.

Basic Stitches

All the crochet patterns in this book are produced using combinations of the following basic stitches. They are shown in the diagrams worked into a starting chain but the method is the same whatever part of the work the stitch is worked into.

Slip Stitch (sl st =)

This is the shortest of crochet stitches and unlike other stitches is not used on its own to produce a fabric. It is used for joining, shaping and where necessary carrying the yarn to another part of the fabric for the next stage.

Insert the hook into the work (second chain from hook in diagram), yarn over and draw the yarn through both the work and loop on the hook in one movement.

To join a chain ring with a slip stitch, then insert hook into first chain, yarn over and draw through the work and the yarn on the hook.

Double Crochet (dc =)

(dc =)

1. Insert the hook into the work (second chain from hook on starting chain), yarn over and draw yarn through the work only.

2. Yarn over again and draw the yarn through both loops on the hook.

3. 1 dc made. Insert hook into next stitch repeat from " in step 1.

Half Treble (htr =)

(htr =)

1. Yarn over and insert the hook into the work (third chain from hook on starting chain).

2. Yarn over and draw through the work only.

3. Yarn over again and draw through all three loops on the hook.

4. 1 htr made. Yarn over. Insert hook into next stitch repeat from " in step 2.

Treble (tr =)

1. Yarn over and insert the hook into the work (fourth chain from hook on starting chain).

2. Yarn over and draw through the work only.

3. Yarn over and draw through the first two loops only.

Starting chain: Multiple of 6 sts + 2

Special Abbreviations

Ttr group = work 3tr into next dc until 1 loop of each remains on hook, yo and through all 4 loops on hook.

Double ttr group = work 3tr into same dc as last group until 1 loop of each remains on hook, miss 5 dc, into next dc work 3tr until 1 loop of each remains on hook, yo and through all 7 loops on hook.

1st row (right side) Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

2nd row 1ch, work 1dc into each dc to end, turn.

3rd row 5ch (count as 1tr), miss first 3dc, work 1tr group into next dc, 5ch "1 double ttr group, 5ch rep from " to last 3dc into same dc as last group work 3tr until 1 loop of each remains on hook (4 loops on hook), 1tr into last dc until 5 loops remain on hook, yo and through all 5 loops, turn.

4th row: 1ch, 1dc into top of first group, 5dc into 5ch arch, "1dc into top of next group, 5dc into next 5ch arch, rep from " to last group, 1dc into 5th of 5ch at beg of previous row, turn.

5th row: 1ch, work 1dc into each dc to end, turn.

Rep 2nd to 5th rows.

1.70

Starting chain: Multiple of 12 sts + 11

Special Abbreviation

Dir2tog = work 2dc into next st until 1 loop of each remains on hook, yo and through all 3 loops on hook.

1st row (right side) Work 1tr into 8th ch from hook, "2ch, miss 2ch, 1tr into next ch, rep from " to end, turn.

2nd row 1ch, 1dc into first tr, "8ch, miss 1tr into next tr work 1dc, 4ch dir2tog, miss 1tr into next tr work dir2tog, 4ch 1dc, rep from " to last 2 sts, 9ch, miss 1tr, 1dc into 3rd ch, turn.

3rd row: 10ch (count as quadr), 4ch, 1dc into first 9ch arch, "4ch, into top of next dir2tog work dir2tog, 4ch, 1 sl st, 4ch dir2tog, 4ch, 1dc into next 9ch arch, rep from " to end, 4ch, 1quadr into last dc, turn.

4th row: 1ch, 1dc into first quadr, "5ch, 1dc into top of next dir2tog, rep from " to end placing last dc into 6th of 10ch at beg of previous row, turn.

5th row 5ch (count as 1tr, 2ch), 1tr into next 5ch arch, 2ch, 1tr into next dc, rep from " to end, turn.

Rep 2nd to 5th rows.

1.71

Starting chain: Multiple of 16 sts + 7

Special Abbreviation

Bobbie = work 4tr into next st until 1 loop of each remains on hook, yo and through all 5 loops on hook.

1st row (right side) Work 1tr into 4th ch from hook, 1tr into each of next 3ch, "4ch, miss 4ch, 1dc into next ch, 3ch, miss 1ch, 1dc into next ch, 4ch, miss 4ch, 1tr into each of next 5ch, rep from " to end, turn.

2nd row: 3ch (count as 1tr), miss first tr, 1tr into each of next 4tr, "2ch, 1dc into next 4ch arch, 1ch, work 7tr into next 3ch arch, 1ch, 1dc into next 4ch arch, 2ch, 1tr into each of next 5tr, rep from " to end placing last tr into top of 3ch at beg of previous row, turn.

3rd row: 3ch, miss first tr, 1tr into each of next 4tr, "1ch, 1 bobbie into next tr, 3ch, miss 1tr, 1 bobbie into next tr, 3ch, miss 1tr into each of next 5tr, rep from " to end placing last tr into 3rd of 3ch at beg of previous row, turn.

4th row: 3ch, miss first tr, 1tr into each of next 4tr, "2ch, 1dc into next 3ch arch, 3ch, 1dc into next 3ch arch, twice, 2ch, 1tr into each of next 5tr, rep from " to end placing last tr into 3rd of 3ch at beg of previous row, turn.

5th row: 3ch, miss first tr, 1tr into each of next 4tr, "4ch, miss 2ch sp, 1dc into next 3ch arch, 3ch, 1dc into next 3ch arch, 4ch, 1tr into each of next 5tr, rep from " to end placing last tr into 3rd of 3ch at beg of previous row.

Rep 2nd to 5th rows.

I. All-over Patterns

1.75

Starting chain: Multiple of 8 sts + 4

1st row (right side): Work dc into 2nd ch from hook, 1dc into next ch, 9ch, 1dc into next ch, 5ch, miss 5ch, 1dc into next ch, [9ch, 1dc into next ch] twice, 5ch, miss 5ch, 1dc into next ch, rep from " to last 2ch, 9ch, 1dc into each of last 2ch, turn.

2nd row: 1ch (count as 1st tr), 3ch, 1dc into next 5ch loop, 1ch, 1dc into next 9ch loop, 5ch, rep from " to end, omitting 2ch at end of last rep, 1dc into last dc, turn.

3rd row: 1ch, 1dc into next dir, 9ch, 1dc into next dc, 9ch, 1dc into next ch sp, 9ch, 1dc into next dc, 5ch, rep from " to end, omitting 2ch at end of last rep, 1dc into 4th of 7ch at beg of previous row, turn.

4th row: 5ch (count as 1st tr), 1ch, 1dc into next 9ch loop, 5ch, 1dc into next 9ch loop, 1ch, rep from " to end, 1ch into last dc, turn.

5th row: 1ch, 1dc into first dir, 1dc into next ch sp, 9ch, 1dc into next dc, 5ch

1dc into next dc, 9ch, 1dc into next ch sp, 9ch, 1dc into next dc, 5ch, rep from " to last dc, 1dc into last dc, 9ch, 1dc into ch sp, 1dc into 4th of 5ch at beg of previous row, turn.

Rep 2nd to 5th rows ending with a 2nd or 4th row.

1.76

Starting chain: Multiple of 10 sts + 8

1st row (right side): Work 1tr into 8th ch from hook, 2ch, miss 2ch, 1tr into next ch, rep from " to end, turn.

2nd row: 5ch (count as 1st 2ch), miss first tr, 1tr into next tr, 1ch, 1dc into each of next 4tr, 4ch, 1tr into next tr, 2ch, 1tr into next tr, rep from " to end, placing last tr into 3rd turning ch at beg of previous row, turn.

3rd row: 5ch, miss first tr, 1tr into next tr, 1ch, 1dc into each of next 4tr, 4ch, 1tr into next tr, 2ch, 1tr into next tr, rep from " to end, placing last tr into 3rd of 5ch at beg of previous row, turn.

4th row: 5ch, miss first tr, 1tr into next tr, 1ch, 1dc into each of next 4tr, 4ch, 1tr into next tr, 2ch, 1tr into next tr, rep from " to end, placing last tr into 3rd of 5ch at beg of previous row, turn.

5th row: As 4th row.

6th row: 5ch, miss first tr, 1tr into next tr, 2ch, [1tr into next dc, 2ch] 4 times, 1tr into next tr, 2ch, 1tr into next tr, rep from " to end, placing last tr into 3rd of 5ch at beg of previous row, turn.

7th row: 5ch, miss first tr, 1tr into next tr, 2ch, [1tr into next dir, 2ch] 4 times, 1tr into next tr, 2ch, 1tr into next tr, rep from " to end, placing last tr into 3rd of 5ch at beg of previous row, turn.

Rep 2nd to 7th rows.

Filet Charts

Filet crochet is based on an simple network of ground made of treble and chain stitches. Patterns are therefore usually presented in the form of squared charts. Designs of all kinds—flowers, geometric patterns, letters and even whole scenes—can be created by filling in some of the squares or spaces with trebles instead of chains. Like stitch diagrams, charts are read from the bottom to the top, right side rows from left to right and wrong side rows from right to left. Each open square represents an open space whilst a filled-in square represents a block of stitches. Every row starts with three chain count as one (below), bringing you to the correct height and beginning the pattern.

The basis of filet crochet is rectangular: each space or block should be square, but this is hard to achieve because of variations in tension. Small variations to the ratio between height and width can be made by changing the way you hold the yarn or hook. To test your tension first work a swatch using our sample or below. This is worked so that each open square on the chart represents a space formed by two chain and a treble. The other edge of the space is formed by the two stitches of the preceding space or block or by the three chain at the beginning of the row. When a square is filled the two chain space is replaced by two trebles. Adding a single block of three trebles (an additional block therefore adds three trebles) to two blocks together with a treble either side will produce an even space and the blocks will be the same size.

To correct adjustments to the between height and width can be made by changing the way you hold the work. Only decrease if this is not possible. The blocks and spaces. A square block is worked over a single chain and a treble with a two treble block (sample 1) is worked over a treble chain and one treble stitch with a treble chain (sample 2). The photographs and the samples show the differences between the three variations.

to, but whichever your tension look at the other methods as there may be times you would wish to use these purely for their decorative effect.

Starting Chain

When working our sample 1, the number of chain required to start each row is calculated by multiplying the number of squares squared by five. And treble chain.

If this sounds a bit awkward, sample 2 shows chain 3 and a treble square in the work as a guide to the correct height.

To work sample 3, multiply the number of squares by two or four, adding four or six chain for a space and three chain for a block (see diagrams a and c).

Lacets and Bars

Variations on blocks and spaces include the shapes known as lacets and bars (see diagrams below).

The diagrams above show the stitches and their positioning for each variation.

Increasing and Decreasing

In filet crochet, increases and decreases are made by adding or subtracting squares. If increases are made at the beginning of a row, and decreases at the end of a row, no special stitches are required as the following stitch diagram shows.

When increases are needed at the end of a row or decreases at the beginning of a row, the following techniques should be used.

No worked samples in this section have been made following the style of sample

II. Filet Crochet

To increase a space at the end of a row

1 Work two chain, then work a triple treble into same place as previous treble

2 The triple treble makes the outer edges of the increased space

To increase a block at the end of a row

1 Work a double treble into same place as previous treble

2 Then work [a double treble into bottom segment of previous double treble] twice

3 Thus making an increased block

To decrease at the beginning of a row

1 Turn work. Slip stitch into top of last treble worked, then into each of next two chain (or top of trebles if last square in previous row is a block), and into top of next treble.

2 Hook is in position to commence row

Using Filet Patterns

The patterns in this book can be used exactly as they are to produce fabrics with all-over patterns, borders, insertions and motifs. Different effects can be achieved by working the charts downwards or sideways or by repeating or combining designs. Graph paper should be used to plot out any changes.

Key

1 = Space

2 = Block

3 = Bar

4 = Lacer

Pressing and Finishing Filet

The feature of Filet which distinguishes it from other styles of crochet is its rectangular appearance. For information on how to press and finish your filet crochet see the general instructions on page 12 but remember at every stage to check that all the vertical and horizontal lines of the work are laying at right angles. After removing the pins and when the work is still quite damp, use your fingers to gently ease the edges into perfectly straight lines.

Filet crochet is often used for borders, edgings and insertions on items like table cloths and lamp mats. The crochet piece is sewn on to a piece of fabric. Firstly, sew under the raw edges to form a hem, and slip stitch in place. Then whip stitch the crochet piece to the outer fold of the fabric (see II.26 on page 47).

* TIP *

Larger items, such as curtains and bedspreads, can easily be made in Filet. Work a small piece of your fabric blocks and spaces, to ascertain the number of blocks and rows it 10cms or 4 inches. From that you can calculate the number of squares you will need in Filet to cover the area you require and this can then be drawn on to graph paper. Any of the designs given in this section can then be added either singly or in repeats, or you can even design your own exclusive pattern.

11.1

Rep these 16 rows 30-40 cm length

Start and finish here

Turning corners

Following chart work short rows to corner then turn piece and work into the side of completed stitches

It is important to remember when working a turned corner that the final row, before changing direction, should be worked towards the inner edge so that the yarn is in the correct position to turn and work at right angles to the edge.

Join the start and finish together with a neat seam (see page 12)

Making Crochet Fabric

4. Yarn over and draw through the last two loops on the hook

5. 1 tr made. Yarn over, insert hook into next stitch, repeat from * in step 2

Double Treble (dtr)

1. Yarn over twice, insert the hook into the work (fifth chain from hook on starting chain)

2. Yarn over and draw through the work only

3. Yarn over again and draw through the first two loops only

4. Yarn over again and draw through the last two loops only

5. Yarn over again and draw through the last two loops on the hook

6. 1 dtr made. Yarn over twice, insert hook into next stitch, repeat from * in step 2

Longer Basic Stitches

Triple treble (trt), quadruple treble (quadr), quintuple treble (quint), etc. are

made by wrapping the yarn over three, four, five times etc. at the beginning and finishing as for a double treble, repeating step 4 until two loops remain on hook, finish with step 5

Making Crochet Fabric

These are the basic procedures for making crochet fabrics

Starting Chain

To make a flat fabric worked in rows you must begin with a starting chain. The length of the starting chain is the number of stitches needed for the first row of fabric plus the number of chain needed to get to the correct height of the stitches to be used in the first row. All the patterns in this book indicate the length of starting chain required to work one repeat of the design. See Starting Chains and Pattern Repeats on page 11

• TIP •

When working a large piece it is sensible to start with more chain than necessary as it is simple to undo the extra chain if you have miscounted

Working in Rows

A flat fabric can be produced by turning the work at the end of each row. Right handers work from right to left and left handers from left to right. One or more chain must be worked at the beginning of each row to bring the hook up to the height of the first stitch in the row. The number of chain used for turning depends upon the height of the stitch they are to match as follows

double crochet = 1 chain

half treble = 2 chain

treble = 3 chain

double treble = 4 chain

When working half trebles or longer stitches the turning chain takes the place of the first stitch. Where one chain is worked at the beginning of a row starting with double crochet it is usually for height only and is in addition to the first stitch

10 squares

Rep 2nd to 15th rows

11.26

Work first 10 rows of whole diagram, then work the 10 squares of right hand side of 11th row. Continue on right hand side only, finishing with a row as 35th row. Do not turn but make a chain for base of centre top (a multiple of $14 + 11$ squares). Break yarn, rejoin at X and work left side to match right but finishing on a row as 36th row. Do not turn but continue in pattern across chain already made (taking

care that the chain is not twisted), then work 36th row across right side to end. Complete remaining 9 rows.

If preferred, edging may be worked starting and ending at line A with 10 squares, working first row in direction of arrow and making mitred corner at line B, see page 41.

See page 40 for attaching to fabric.

III. Motifs

Working in Rounds

Most motifs are not worked in rows but are worked from the centre outwards in rounds unless otherwise indicated do not turn the work between rounds but continue with the same side facing and treat this as the right side of the fabric. The centre ring is usually formed by a number of chains joined together with a slip stitch.

1 Insert the hook back into the first chain made

2 Make a slip stitch to join into a ring

At the beginning of each round one or more chains can be worked to match the height of the following stitches. (This is equivalent to a turning chain)

3 When working trebles three starting chains are required.

4 The stitches of the first round are worked by inserting the hook into the space at the point of the chain ring. Occasionally the first round is worked into the first chain (see III 5)

5 When each round is complete insert the hook into the top of the chain or stitch at the beginning of the round and slip stitch together

6 When working second and subsequent rounds, unless otherwise stated, insert the hook under the two top loops of the stitches in the previous round.

7 After joining first round with a slip stitch, fasten off by making a chain, then cutting the yarn and drawing the end through.

8 Tighten gently to form a knot.

Joining Motifs Motif Layout

Some motifs such as triangles, squares and hexagons fit together exactly while others leave interesting spaces when joined. These spaces can themselves be a decorative part of an openwork cloth or can be filled in a variety of ways. Small spaces can be filled with suitable combinations of chains and stitches and larger ones with small motifs. Most motifs can be joined in more than one way to obtain individual motifs. Most motifs can form the basic of several different fabric designs. If motifs are worked in different colours, they can be laid out to produce patchwork effect. Solid motifs are particularly suitable for working coloured patchwork.

Opposite are just a few examples of motifs of various shapes can be positioned to create interesting patterns.

Methods of Joining

Carous that involve motifs fitting together along straight edges can be joined with a zig-zag seam or by working a row of slip stitches or double crochet through both edges (see page 12). The motif joins should be done with the right sides of the motifs together so they will be invisible on the right side of the fabric. Alternatively a motif join can be used as a decorative feature when worked on the right side.

Some designs, particularly those with chain stitches or prominent inner edges, can be joined to previous motifs during the course of their final rounds. This is done by interrupting the picots or arches at half

way and slip stitching to the corresponding ridges on the adjacent motifs.

Spaces between motifs are sometimes filled with small motifs, made and joined in at the same time as they are worked.

Joined Motifs

We show here a few motifs joined in various ways. The possibilities are infinite and only depend on the shape of the motifs and your ingenuity.

III.5

Special Abbreviations

4tr cluster = work 1tr into each of next 4tr until 1 loop of each remains on hook, yo and through all 5 loops on hook

4tr bobble or 5tr bobble = work 4tr (or 5tr) into next ch until 1 loop of each remains on hook, yo and through all 5 (or 6) loops on hook

Make 6ch, sl st into first ch to form a ring
1st round: 3ch (count as 1tr), work 15tr into ring, sl st into 3rd of 3ch at beg of round

2nd round: 3ch, 1tr into each of next 3tr (7ch, 1tr into each of next 4tr) 3 times, 7ch sl st into 3rd of 3ch at beg of round

III.6

Special Abbreviations

Popcorn = work 5tr into next ch, drop loop from hook, insert hook from the front into first of these 4tr, pick up dropped loop and draw through, 1ch to secure

Picot = make 5ch, sl st into top of tr just worked

Make 6ch, sl st into first ch to form a ring
1st round: 6ch (count as 1tr, 3ch) into ring work (1tr, 3ch) 11 times, sl st into 3rd of 6ch at beg of round

3rd round: 3ch, work 1tr into each of next 3tr until 1 loop of each remains on hook, yo and through all 4 loops on hook (1 cluster made at beg of round), 5ch, miss 3ch into next ch work (1tr, 5ch, 1tr), 5ch, *4tr cluster over next 4tr, 5ch, miss 3ch, into next ch work (1tr, 5ch, 1tr), 5ch, rep from * twice more, sl st into top of first cluster

4th round: 1ch, *1dc into top of cluster, 1dc into each of next 5ch, 1dc into next tr, 2ch, 4tr bobble into next ch, 5ch, miss 1ch, 5tr bobble into next ch, 5ch, miss 1ch, 4tr bobble into next ch, 2ch, 1dc into next tr, 1dc into each of next 5ch, rep from * 3 times more, sl st into first dc, Fasten off

 = 4tr cluster

 = 4tr bobble

 = 5tr bobble

2nd round: 1 sl st into each of first 2ch of first arch, 4ch (count as 1dc), work 4tr into same ch as last sl st, drop loop from hook, insert hook from the front into 4th of 4ch, pick up dropped loop and draw through, 1ch to secure (popcorn made at beg of round), 5ch, 1dc into next 3ch arch, 5ch, miss 1ch of next 3ch arch, 1 popcorn into next ch, 5ch, 1dc into next 3ch arch, 5 times, 5ch, sl st into top of first popcorn

3rd round: 4ch, into top of first popcorn work (3dtr, 5ch, 4tr), 3ch, 1tr into next dc, 1 picot, 3ch, 1dc into top of next popcorn, 3ch, 1tr into next dc, * picot, 3ch, 1tr into top of next popcorn work (4tr, 5ch, 4tr), 3ch, 1tr into next dc, * picot, 3ch, 1dc into top of next popcorn, 3ch, 1tr into next dc, 1 picot, 3ch, rep from * once more, sl st into 4th of 4ch of beg of round, Fasten off

 = Popcorn

III.7

Special Abbreviations

Popcorn = work 5tr into next dc, drop loop from hook, insert hook from the front into top of first of these 4tr, pick up dropped loop and draw through, 1ch to secure popcorn

Picot = make 3ch, work 1dc into first of these 3ch

Make 10ch, sl st into first ch to form a ring
1st round: 1ch work *6dc into ring, sl st into tr, sl dc

2nd round: 2ch, work 4tr into first dc, drop loop from hook, insert hook from the front into 2nd of 2ch, pick up dropped loop and draw through, 1ch to secure (1 popcorn made at beg of round), 2ch, 1 picot, 2ch, (miss 1dc, 1 popcorn into next dc, 2ch, 1 picot, 2ch) 7 times, sl st into top of first popcorn

3rd round: 1ch, 1dc into same sl as first sl, (8ch, 1dc into top of next popcorn) 7 times, 4ch, 1tr into first dc

4th round: Sl st into arch just formed, 3ch (count as 1tr), work 4tr into same arch as last sl st, 4ch, 1dc into next 9ch arch, 4ch work (5tr, 5ch, 5tr) into next 9ch arch, 4ch, 1dc into next 9ch arch, 4ch, rep from * twice more, 5tr into same arch as first 5tr, 5ch, sl st into 3rd of 3ch at beg of round

5th round: 7ch (count as 1tr, 4ch, *1dc into next 4ch arch, 8ch, 1dc into next 4ch arch, 4ch, work (5tr, 3ch, 5tr) into next 5ch arch, 4ch, rep from * 3 times, rep from 1tr and 4ch at end of last rep, sl st into 3rd of 7ch at beg of round, Fasten off

 = Popcorn

 = Picot

Basic Treble Fabric

Make a starting chain of the required length plus two chain. Work one treble into fourth chain from hook. The three chain at the beginning of the row form the first treble. Work one treble into the next and every chain to the end of the row.

At the end of each row turn the work so that another row can be worked across the top of the previous one. It does not matter which way the work is turned but be consistent. Make three chain for turning. These turning chain will count as the first treble.

Miss the first treble in the previous row, work a treble into the top of the next and every treble including the last treble in row then work a treble into third of three chain at the beginning of the previous row.

Note: Unless otherwise stated when working into the top of a stitch, always work under two strands as shown in diagrams.

Fastening Off

To fasten off the yarn permanently break off the yarn about 5cm (2 ins) away from the work (longer if you need to sew pieces together). Draw the end through the loop on hook and tighten gently.

Joining in New Yarn and Changing Colour

When joining in new yarn or changing colour work in the old yarn until two loops of the last stitch remain in the old yarn or colour. Use the new colour or yarn to complete the stitch.

Continue to work the following stitches in the new colour or yarn as before.

If you are working whole rows in different colours, make the change during the last stitch in the previous row. So the new colour for the next row is ready to work the turning chain.

Do not cut off any yarns which will be needed again later at the same edge, but continue to use them as required, leaving an unbroken float threaded up the side of the fabric.

If at the end of a row the pattern requires you to return to the beginning of the same row without turning, and to work another row in a different colour in the same direction, complete the last row in the old colour and fasten off by lengthening the final loop on the hook, passing the whole ball through it and gently tighten again. This yarn is now available if you need to rejoin it later at this edge (if not, cut it).

Stitch Variations

Most crochet stitch patterns, however elaborate, are made using combinations of basic stitches. Different effects can be created by small variations in the stitch making procedure or by varying the position and manner of inserting the hook into the fabric. The following techniques are used frequently to build up crochet fabric.

Note: Terms such as group, cluster, picot, shell, fan, tower, petals, leaf and bobble do not denote a fixed arrangement of stitches. Exactly what they mean may be different for each pattern. The procedure is therefore always given at the beginning of each set of instructions as a Special Abbreviation.

Groups or Shells

These consist of several complete stitches worked into the same place. They can be worked as part of a pattern or as a method of increasing.

Five Treble Group

Work five trebles into one stitch.

Summary of Common Groups or Shells

On diagrams the point at the base of the group will be positioned above the space or stitch where the hook is to be inserted.

2, 3 and 4 half treble group

Work 2(3,4) half treble into same place

2, 3, 4 and 5 treble group

Work 2(3,4,5) treble into same place

2, 3, 4 and 5 double treble group

Work 2(3,4,5) double treble into same place

secure. 1 popcorn made at beg of round.
3ch [1 popcorn into next 2ch sp, 3ch] 11 times, sl st into top of first popcorn.

4th round: Sl st into first 3ch sp, 3ch (count as 1tr), 3tr into same sp as sl st, 1ch [4tr into next 3ch sp, 1ch] 11 times sl st into 3rd of 3ch at beg of round.

5th round: Sl st into each of next 3tr and into ch sp, 3ch 3tr into same sp as last at sl, 2ch into next ch sp work [3tr 1 picot 3tr], *2ch, work 4tr into next ch sp, 2ch into next ch sp work [3tr, 1 picot 3tr], rep from * 4 times more, 2ch, sl st into 3rd of 3ch at beg of round. Fasten off.

= Popcorn

= Picot

IV. Irish Style Crochet

Irish Crochet

True Irish crochet is made by first working motifs and then creating a net or mesh background incorporating the motifs and forming the fabric which holds them in position. This is done by placing the motifs in the required position face down on paper or a scrap of fabric and temporarily securing them. The background or filling, when worked progressively joining in the motifs, after the work is completed the paper or fabric is carefully removed.

Historically crochet is believed to have been introduced into Ireland in the early part of the 19th century by nuns, probably from Italy or France. It was evolved by them and converted-educated girls into an art-form in itself, reaching levels of complexity and delicacy not seen in other styles of crochet work.

Stitches and techniques were developed which are particular to Irish crochet. The use of padding threads which are held at the edge of the work, so that subsequent stitches or rounds are worked over them to give a three-dimensional effect is one example. Another is the Clones Knot, and both of these are described below.

Because of the difficulty of giving general instructions for the construction of true Irish crochet, and particularly since the various motifs can each be incorporated into almost any crocheted net background, we have simplified the following section to give you a taste of Irish style crochet.

Padding Threads

Padding threads are used to give a three-dimensional appearance to some Irish crochet motifs. The thread used is usually the same as the thread used for the motif and the number of threads worked over determines the amount of padding. In this book we have usually worked over three thicknesses of thread.

The example below is for padding 7th ends at the beginning of a motif, but they can also be used in other areas of motifs (see IV 11 or page 85).

1 Make the required number of chain and join with a slip stitch.

2 Wind a length of thread three or four times around the end of a pencil or finger and hold against the chain.

3 The stitches are then worked over the chain and padding threads. When the motif is complete the ends of the padding thread are pulled through several stitches and cut.
The instructions and diagrams of individual patterns indicate where it is appropriate to use padding threads. On the diagrams the padding thread is indicated with a thicker line.

Working into Base of Stitch

Insert the hook under two strands at the base of the stitch (this is indicated on the diagrams by red arrows see IV 17 or page 88). The diagram above shows work viewed from the back.

Clones Knot

1 Draw up a chain. The length of the chain dictates the size of the Clones Knot.

2 Holding chain in place, yarn over. Twist the hook over then under the loop.

Stitch Variations

Clusters

Any combination of stitches may be joined into a cluster by leaving the last loop of each temporarily on the hook until they are worked off together at the end. Working stitches together in this way can also be a method of decreasing.

It is important to be sure exactly how and where the hook is to be inserted for each 'leg' of the cluster. The 'legs' may be worked over adjacent stitches, or stitches may be missed between 'legs'.

Three Treble Cluster

(Worked over adjacent stitches)

Work a treble into each of the next three stitches leaving the last loop of each treble on the hook.

Yarn over and draw through all four loops on the hook.

Summary of Common Clusters

(Worked over adjacent stitches)

On diagrams each 'leg' of the cluster will be positioned above the stitch where the hook is to be inserted.

3, 4 and 5 treble cluster

Work a treble into each of the next 3(4,5) stitches leaving the last loop of each on the hook. Yarn over and draw through all loops on hook.

3, 4 and 5 double treble cluster

Work a double treble into each of the next 3(4,5) stitches leaving the last loop of each on the hook. Yarn over and draw through all loops on hook.

Bobbles

When a cluster is worked into one stitch it forms a bobble.

Five Treble Bobble

1 Work five treble into one stitch leaving the last loop of each on the hook.

2 Yarn over and draw through all the loops on the hook.

More bulky bobbles can be secured with an extra chain stitch. If this is necessary it would be indicated within the pattern.

Summary of Common Bobbles

Follow instructions as if working a cluster but for each 'leg' insert the hook into the same stitch or space.

3, 4 and 5 treble bobble

4, 5, 6 and 7 double treble bobble

Popcorns

Popcorns are groups of complete stitches usually worked into the same place, folded and closed at the top. An extra chain can be worked to secure the popcorn.

Five Treble Popcorn

1 Work five treble into one stitch. Take the hook out of the working loop and insert it into the top of the first treble made from front to back.

2 Pick up the working loop and draw it through to close the popcorn. If required work one chain to secure the popcorn.

Summary of Common Popcorns

On diagrams the point at the base of the popcorn will be positioned above the space or stitch where it is to be worked.

3 and 4 half treble popcorn

Work 3(4) half treble into the same place, drop loop off hook, insert hook into first, pick up dropped loop and draw through.

3, 4 and 5 treble popcorn

Work 3(4,5) treble into the same place, drop loop off hook, insert hook into first treble, pick up dropped loop and draw through.

3, 4 and 5 double treble popcorn

Work 3(4,5) double treble into the same place, drop loop off hook, insert hook into first double treble, pick up dropped loop and draw through.

IV. Irish Style Crochet

- a. Repeat steps 2 and 3 until loop is completely opened.

5. Yarn over, draw hook through all the loops.

6. Secure knot by working a double row of stitches, first chain worked before Cloves Knot.

The Jones Knot can be secured in different ways—see individual pattern for instructions.

14.1

$$4 \times 10^{-2} \times 10^3 = 40 \text{ cm}^3, \text{ at } 5.5 = 2$$

Special Advertising Section

Climax Knot Use of a "climax" knot is a great way to end a presentation. It is a knot that is easy to tie and has a simple, elegant design. It is a great way to end a presentation and leave a lasting impression.

 = Jones Knot

## IV.22

Make Sch. 31 of into first ch to form a ring  
1st round 1 ch work 15dc into ring, sl  
into 1st dc

2nd round 5th mass 3rd 5th 10th  
 1st 10th 5th mass 2nd 4th 1st 10th  
 1st 10th 5th mass 2nd 4th 1st 10th

**3rd round:** Set into the same work as 1st round to same arch and each round 4 stitches work 1 row for the 1st 6 stitches and 1 stitch 5 points.

**4th round** 1 ch, working behind each gill of previous round, work 1 st sl into 1st & sl on 2nd round. Bch [1 row work in sl sl on 2nd round. Bch] 4 times. 3 rows same sl as first sl. At beg of round

**5th round:** Sl st into leg 2ch arch, 1st into twine arch and each of new 4 arches. work 1 dc into 8th st in 1 leg, 1 dc into first dc.

**6th round:** stch, working behind each pair of previous round work + st st at start of 2nd round. [Dec] = sc across st's of first round. [Inc] = tr into same st as last st, st at beg of round.

**7th round** Set into first 10cm arch 1st work 180c into same arch and into each of next 4 arches, to get 160 sts.

**8th round:** Sl st into next dc, 4ch, miss 1dc, 5 sl into next dc 4 times, turn, work 2 sts into next dc arch, 4ch, miss 1dc, 5 sl into next dc arch, 5 times, turn, work 2 sts into 1 ch, 4ch arch, 4ch, miss 1dc, 5 sl into next dc arch, 4 times, turn, work 2 sts into 1 sl, 4ch arch, 4ch, 5 sl into next dc, 4ch arch, 3 times, turn, work 2 sts into 1 ch, 4ch arch, 4ch, 5 sl into next dc, 4ch arch, twice, turn, work 2 sts into dc and 4ch arch, 4ch, 5 sl into next arch and lastlen off. (Turn, miss next dc or 1st round, repeat yarn to next dc arch 4p, 4p, 3p to 14 times.)

Work slip stitches marked with an arrow behind petals into slip stitches on 2nd row

● = 1 ch, work 1 sl st into last sl st on 2nd round

Straight arrows indicate the direction of work for each petal row. Curved arrows indicate where to fasten off and rejoin yarn for next petal

## IV.23

Make 6ch, sl st into first ch to form a ring  
**1st round:** 1ch, work 2dc into ring \*13ch sl st into 4th ch from hook, 3ch, miss 3ch sl st into next ch, 3ch, sl st into side of last dc worked\* work 4dc into ring, rep from \* 3 times more omitting 2dc at end of last rep, sl st into first dc. (4 points made)  
**2nd round:** \*into each of first 2 sps on next point work [1dc, 3tr, 1dc] 1dc into top

of same point, into same top sp work [2tr, 1dc] twice, then working on other side of loop work [1dc, 3tr, 1dc] into each of next 2 sps, 1 sl st into each of next 3dc on first round; rep from \* 3 times more omitting 1 sl st at end of last rep  
**3rd round:** 1ch, work 1dc into same dc as last sl st, \*16ch, 1dc into centre dc at top

of point, 16ch, 1dc into centre dc between 2 points on first round; rep from \* 3 times more omitting 1dc at end of last rep, sl st into first dc

**4th round:** 1ch, \*work 1dc into each of next 16ch, 1dc into next dc, 1dc into each of next 16ch, miss 1dc, rep from \* 3 times more, sl st into first dc. Fasten off.

## Puff Stitches

These are similar to bobbles but worked using half trebles, into the same stitch or space. However because half trebles cannot be worked until one loop remains on the hook, the stitches are not closed until the required number have been worked.

### Three Half Treble Puff Stitch

Worked into one stitch

1 Yarn over, insert the hook, yarn over again and draw a loop through (three loops on the hook)

2 Repeat the step twice more, inserting the hook into the same stitch, seven loops on the hook, yarn over and draw through all the loops on the hook

3 As with popcorns and bulky bobbles an extra chain stitch is often used to secure the puff stitch firmly. This will be indicated within the pattern if necessary

A cluster of half treble stitches is worked in the same way as a puff stitch but each 'leg' is worked where indicated

## Picots

A picot is normally a chain loop formed into a closed ring by a slip stitch or double crochet. The number of chains in a picot can vary

### Four Chain Picot

(Closed with a slip stitch)

1 Work four chain

2 Into fourth chain from hook work a slip stitch to close

3 Continue working chain or required stitch

**Note:** When working a picot closed with a slip stitch at the top of a chain arch, the picot will not appear central unless an extra chain is worked after the slip stitch

## Crossed Stitches

This method produces stitches that are not entangled with each other and so maintain a clear 'X' shape

### Crossed Double Treble

Miss two stitches and work the first double treble into next stitch. Work one chain then work second double treble into test of missed stitches, taking the hook behind the first double treble before inserting. See individual pattern instructions for variations on crossed stitch

## Placement of Stitches

All crochet stitches (except chains) require the hook to be inserted into existing work. It has already been shown how to work into a chain and into the top of a stitch, however stitches can also be worked into the following places

### Working into Chain Spaces

When a stitch group shell cluster or bobble etc. is positioned over a chain or chains, the hook is often inserted into the space under the chain

It is important to notice, however, if the pattern instructions stipulate working into a particular chain as this will change the appearance of the design

If necessary information of this kind has been given as notes with the diagram

**2nd round.** 5ch, count as 1tr, 2ch, 1tr into next tr, 2ch, 15 times, st st into 3rd of 5ch at beg of round.

**3rd round.** 1ch, work 3dc into each of the 16 2ch arches, st st into first dc.

**4th round.** 1ch, work 1dc into same dc as last st, 16ch, miss 5dc, 1dc into next dc, rep from 16 times more, 6ch, st st into first dc.

**5th round.** St st into first 8ch arch, 1ch, work 1dc, then 3tr, then 1dc into each of the 8 ch arches, st st into first dc, 8 petals worked.

## IV.26

**1st round.** Make 16ch, st st into first ch, first loop formed, 115ch, st st into same ch as last st st, hence.

**2nd round.** 1ch, working over **padding threads** work 28dc into next loop, 1 st st into same ch as st st of first round, 3 times.

**3rd round.** St st into each of first 3dc, 1ch, 1dc into same st as last st, 1dc into each of next 23dc, miss 4dc, 1dc into each of next 4dc, hence 17ch, working over **padding threads** work 1dc into 2nd ch from hook, 1dc into each of next 16ch, st st into last dc. Fasten off.

**6th round.** 1ch, working behind each petal of previous round, work 1dc into first dc on 4th round, 1ch, 1dc into next dc on 4th round, rep from 16 times more, 1ch, st st into first dc.

**7th round.** St st into first 7ch arch, 1ch, work 1dc, then 7tr, then 1dc into each of the 8 7ch arches, st st into last dc.

**8th round.** 1ch, working behind each petal of previous round, work 1dc into first dc on 6th round, 8ch, 1dc into next dc on 6th round, rep from 16 times more, 8ch, st st into first dc.

**9th round.** St st into first 8ch arch, 1ch, work 1tr, then 3tr, then 1dc, 3tr, 1tr, 1dc, into each of the 8 8ch arches, st st into first dc. Fasten off.

# V. Edgings and Trimmings

## Using Edgings

Edgings are self-evidently an addition to something which already exists. Household items such as table mats or cloths, handkerchiefs, towels and pillowcases are all enhanced when trimmed with a matching or toning crochet border.

All the written and diagrammatic instructions in this section include the starting chain. If you are going to sew the border on to material, you need this chain to work into. However in many cases it is preferable to omit the starting chain and work a row of double crochet directly into the folded edge of the fabric (see illustration of V.3 which has been worked in this way). If the first row of the design is a double crochet row the instructions as given do not need amending. If however this base is not included in the pattern it is recommended that you work a row of firm double crochet on to the folded edge of the material using the same multiple as given for the starting chain.

We have included a few examples of curved versions of some of the edgings (see V.5 opposite). These can be used as collar or neck edgings, or if worked or sewn on to a straight edge they will flute or form a rib.

The direction in which the edging is made can also vary. If a particularly long piece is required, as for example the border for a large table cloth, it may be advisable to choose one which is worked sideways (see V.32 on page 84). The advantage of this is that you can pin or tack the border in position before it is finished, to ensure that the length you have worked is correct.

## V.1

**Starting chain:** Multiple of 4 sts + 2

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row:** 1ch, 1dc into next dc, \*5ch, miss 3dc, 1dc into next dc, rep from \* to end, turn.

**3rd row:** 1ch, 1dc into first dc, \*7ch, 1dc into next dc, rep from \* to end.

**Fasten off.**

## V.2

**Starting chain:** Multiple of 5 sts + 2

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

## V.3

To make edging in rounds, make a starting chain of a multiple of 5 sts + 1 for each side + 1 for each of the 4 corners. Place a marker in last ch, 4th corner ch and in each of the other 2 corner ch. Sl st into first ch to form a ring.

**1st round** (right side): 1ch, work 1dc into same ch as last sl st, 1dc into each ch to first corner ch, 3dc into corner ch, 1dc into each ch to next corner ch, 3 times. 3dc into last corner ch, sl st into first dc.

**2nd round:** 1ch, work 1dc into same st as last sl st. \*5ch, sl st into 3rd ch from hook, 3ch, miss 4dc, 1dc into next dc, rep from \* to next corner. 8ch, sl st into 3rd ch from hook, 4ch, miss 3dc, corner dc, 1dc into next dc, rep from \* to \* 3 times more omitting 1dc at end of last rep, sl st into first dc.

**3rd round:** 1ch, work 1dc into same st as last sl st. \*6ch, sl st into 3rd ch from hook, 4ch, 1dc into next dc, rep from \* to 4th corner. 8ch, sl st into 3rd ch from hook, 6ch, 1dc into next dc, rep from \* to \* 3 times more omitting 1dc at end of last rep, sl st into first dc. Fasten off.

**2nd row:** 1ch, 1dc into first dc, \*5ch, sl st into 3rd ch from hook, 3ch, miss next 4dc, 1dc into next dc, rep from \* to end, turn.

**3rd row:** 1ch, 1dc into first dc, \*6ch, sl st into 3rd ch from hook, 4ch, 1dc into next dc, rep from \* to end. Fasten off.

## V.4

Starting chain: Multiple of 9 sts + 5

### Special Abbreviation

**Tr2tog** = work tr into each of next 2 tr until 1 loop of each remains on hook, yo and through all 3 loops on hook.

**1st row** (right side): Work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

**2nd row** 1 ch, 1 dc into first dc, 2 ch, miss 2dc, 1 dc into next dc, miss 2dc, 5 tr into next dc, miss 2dc, 1 dc into next dc, 2 ch, miss 2dc, 1 dc into next dc, rep from \* to end, turn.

**3rd row** 1 ch, 1 dc into first dc, 2 ch, 1 tr into next tr, 1 ch, 1 tr into next tr, 4 times, 1 dc into next 2 tr, sp, rep from \* to end, omthing 1 dc into end of last rep, 2 ch, 1 dc into next dc, turn.

**4th row** 3 ch, count as 1 tr, 1 tr into next tr, 2 tr, 4 times, tr2tog, 2 ch, 1 tr into next tr, 2 ch, 3 times, rep from \* to end, work 1 tr into next tr until 2 loops remain on hook, 1 tr into next dc until 3 loops remain on hook, yo and through all 3 loops, turn.

**5th row** 1 ch, 1 dc into first tr, 3 dc into first 2 ch sp, 1 ch, 3 dc into next 2 ch sp, rep from \* to end, 1 dc into 3rd of 3 ch at beg of previous row, Fasten off.

$\bar{A}$  = Tr2tog

## V.5

## V.6

Starting chain: Multiple of 10 sts + 6

**1st row** (wrong side): Work 1 dc into 2nd ch from hook, 1 dc into next ch, 3 ch, miss 3 ch, 1 dc into each of next 3 ch, miss 3 ch, rep from \* to end, turn.

**2nd row** 1 ch, 1 dc into first dc, into next 3 dc, arch work 1 dc into 5 tr, then 1 dc, 2 ch, rep from \* to end, ch at end of last row, work 1 dc into each dc, turn.

**3rd row** 5 ch, miss first 5 sts, work 1 dc into next tr, [3 ch, 1 dc] 3 times, into same st as last dc, 3 ch, [1 dc, 3 ch, 1 dc, into next 7 ch, arch, 3 ch, miss next 4 sts, 1 dc into next tr, [3 ch, 1 dc] 3 times, into same st as last dc, rep from \* to end 5 sts, 5 ch, turn into next dc, Fasten off.

Starting chain: Multiple of 9 sts + 5

### Special Abbreviation

**Tr2tog** = work tr into each of next 2 tr until 1 loop of each remains on hook, yo and through all 3 loops on hook.

**1st row** (right side): Work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

**2nd row** 1 ch, 1 dc into first dc, 2 ch, miss 2dc, 1 dc into next dc, miss 2dc, 5 tr into next dc, miss 2dc, 1 dc into next dc, 2 ch, miss 2dc, 1 dc into next dc, sp, from \* to end, turn.

**3rd row** 1 ch, 1 dc into first dc, 1 tr into next tr, 1 ch, 1 tr into next tr, 5 times, 1 dc into next 2 ch sp, rep from \* to end, 2 dc, omthing 1 tr into next of 5 tr, 2 ch, 1 dc into next dc, turn.

**4th row** 3 ch, count as 1 tr, 1 tr into next tr, 2 tr, 4 times, tr2tog, 2 ch, 1 tr into next tr, 2 ch, 4 times, sp, rep from \* to end, work 1 tr into next tr until 2 loops remain on hook, 1 tr into next dc until 3 loops remain on hook, yo and through all 3 loops, turn.

**5th row** 1 ch, 1 dc into first dc, 3 dc into first 2 ch sp, 1 ch, 3 dc into next 2 ch sp, rep from \* to end 2 tr, 1 dc into 3rd of 3 ch at beg of previous row, Fasten off.

$\bar{A}$  = Tr2tog

# V. Edgings and Trimmings

## V.7

Starting chain: Multiple of 12 sts

**1st row** (right side): Work 1dc into 2nd ch from hook, [5ch, miss 4ch, 1dc into next ch] twice, \* [5ch, 1dc into next ch, twice, [5ch, miss 4ch, 1dc into next ch] twice, rep from \* to end.

**2nd row** (left side): Rebut as 1st row, 1dc into first 5ch arch, 1ch, 1dc into next 5ch arch, rep from \* to end, 3ch, 1dc into last dc turn.

**3rd row** (right side): 1ch, 1dc into first ch, \* 5ch, miss 1 arch, 1dc into next 3ch arch, into same arch as last dc work, [5ch, 1dc] twice, 5ch, miss 1 arch, 1dc into next 3ch arch, rep from \* to end working last dc into 3rd or 5th arch, beg of previous row. Fasten off.

## V.8

Starting chain: Multiple of 17 sts + 3

**Special Abbreviation**

**Bobbie** = work 3tr into next space until 1 loop of each remains on hook, yo and through all 4 loops on hook.

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row** (left side): 1ch, work 1dc into each dc to end, turn.

**3rd row** (right side): 1ch, work 1dc into each of first 8dc, \* 4ch, miss 3dc, 1dc into each of next 14dc, 1dc into next 11dc, 4ch, miss 3dc, 1dc into each of last 8dc, turn.

**4th row** (left side): 3ch (count as 1tr), 1ch, miss first 2dc, 1dc into each of next 3dc, 1ch, into next 4ch sp work [1tr, 1ch] 6 times, miss 3dc, 1dc into each of next 3dc, \* 3ch, miss 2dc, 1dc into each of next 3dc, 1ch, into next 4ch sp work [1tr, 1ch] 6 times, miss 3dc, 1dc into each of next 3dc, rep from \* to last 2dc, 1ch, 1tr into last dc, turn.

**5th row** (right side): 1ch, 1dc into first tr, 2ch, [1 bobbie into next ch sp, 2ch] 7 times, \* 1dc into next 3ch arch, 2ch, [1 bobbie into next ch sp, 2ch] 7 times, rep from \* to last 3ch, miss 1ch, 1dc into next ch, turn.

## V.9

Starting chain: Multiple of 10 sts + 2

**Special Abbreviation**

**Bobbie** = work 3tr into next space until 1 loop of each remains on hook, yo and through all 4 loops on hook.

**1st row** (wrong side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row** (right side): 5ch (count as 1tr), 1ch, work [1dc, 1ch] twice into first dc, miss 4dc, 1dc into next dc, \* [1ch, miss 4dc, into next dc, work [1tr, 1ch] 5 times, miss 4dc, 1dc into next dc, rep from \* to last 5dc, 1ch, work 1dc into last dc, 1ch, into same st as last dc work, [1dc, 1ch, 1dc] turn.

**3rd row** (left side): 1ch, 1dc into first dc, \* 2ch, into next dc work [1tr, 2ch] 4 times, miss 2dc, 1dc into next dc, rep from \* to end placing st dc into 4th of 5ch st beg of previous row, turn.

**4th row** (right side): 1ch, 1dc into first dc, \* 4ch, miss next sp, 1 bobbie into next 2ch sp, [3ch, 1 bobbie into next 2ch sp] twice, 4ch, 1dc into next dc, rep from \* to end, Fasten off.

 = Bobbie

**6th row** (left side): 1ch, 1dc into first dc, 2dc into first 2ch sp, 1dc into top of first bobbie, 2dc into next 2ch sp, [3ch, 2dc into next sp] twice, 5ch, [2dc into next sp, 3ch] twice, 2dc into next sp, 1dc into top of next bobbie, 2dc into next sp, miss dc, 2dc into next sp, 1dc into top of next bobbie, 2dc into next sp, [3ch, 2dc into next sp] twice, 5ch, [2dc into next sp, 3ch] twice, 2dc into next sp, 1dc into top of next bobbie, 2dc into next sp, rep from \* to last dc, 1dc into last dc, Fasten off.

 = Bobbie

## V.10

Starting chain: Multiple of 6 sts + 3

**1st row** (wrong side): Work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

**2nd row:** 3ch (count as 1tr), miss first dc, 1tr into next dc, \*1ch, miss 1dc, 1tr into each of next 2dc, rep from \* to end, turn.

**3rd row:** 5ch (count as 1tr), 2ch, 1dc into next ch sp, \*4ch, 1dc into next ch sp, rep from \* to end 2 sts, 2ch, 1tr into 3rd of 3ch at beg of previous row, turn.

**4th row:** ch, 1dc into first tr, work 5tr into next 4ch sp, 1dc into next 4ch sp, rep from \* to end placing last dc into 7th of 5ch at beg of previous row. Fasten off.

## V.11

Starting chain: Multiple of 6 sts + 3.

### Special Abbreviation

**Picot** = make 3ch, st 1 into 3rd ch from hook

**1st row** (wrong side): Work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

**2nd row:** 5ch (count as 1tr), 2ch, miss first 3dc, 1dc into next dc, work 3 picots, 1dc into next dc, \*5ch, miss 4dc, 1dc into next dc, work 3 picots, 1dc into next dc, rep from \* to last 3dc, 2ch, 1tr into as dc, turn.

**3rd row:** 1ch, 1dc into first tr, \*1dc, 1dc into next 4ch arch, rep from \* to end placing last dc into 3rd of 5ch at beg of previous row, turn.

**4th row:** 1ch, 1dc into first dc, \*1tr into next 4ch arch, 1dc into next dc, rep from \* to end. Fasten off.

= Picot

## V.12

Starting chain: Multiple of 16 sts + 2

### Special Abbreviation

**Bobble** = work 4dc into arch until 1 loop of each remains on hook, yo and through all 5 loops on hook

**1st row** (wrong side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row:** 1ch, 1dc into first dc, \*1ch, miss 3dc, 1dc into next dc, rep from \* to end, turn.

**3rd row:** 1ch, 1dc into first dc, 1ch, 1dc into first sp, \*3ch, 1dc into next sp, rep from \* to last dc, 1ch, 1dc into last dc, turn.

**4th row:** 6ch, count as 1tr, 3ch, miss first dc, 1dc into next dc, 3dc into next 3ch sp, \*1dc into next dc, \*6ch, 1dc into next dc, 3dc into next 3ch sp, 1dc into next dc, rep from \* to last dc, 3ch, 1tr into last dc, turn.

**5th row:** 1ch, 1dc into 1st tr, \*4ch, work 1 bobble into next 6ch arch, into same arch as last bobble work, 3ch, 1 bobble, twice, 4ch, 1dc into next 6ch arch, rep from \* to end placing last dc into 3rd of 6ch at beg of previous row, turn.

**6th row:** 7ch (count as 1tr), 3ch, \*work 1 bobble into next 4ch arch, 3ch, [1 bobble into next 3ch arch, 3ch] twice, 1 bobble into next 4ch arch, 3ch, 1tr into next dc, 3ch, rep from \* to end omitting 3ch at end of last rep, turn.

**7th row:** 1ch, 1dc into first dc, 1ch, [1dc into next arch, 3ch] twice, 4tr into next arch, \*3ch, [1dc into next arch, 3ch] 4 times, 4tr into next 3ch, rep from \* to last 2 arches, 3ch, 1dc into next arch, twice, 1dc into next arch, rep from beg of previous row, turn.

**8th row:** 1ch, 1dc into 1st dc, 1ch, 1dc into next 3ch arch, 3ch, twice, miss 1tr, 1tr into each of next 2tr, \*3ch, 1dc into next arch, 3ch, 5 times, miss 1tr, 1tr into each of next 2tr, rep from \* to last 2 3ch arches, 3ch, [1dc into next arch, 3ch] twice, 1dc into last dc, turn.

**9th row:** 1ch, 1dc into 1st dc, work 3dc into each of next 3 arches, 1dc into next tr, 3ch, 1dc into next tr, \*3dc into each of next 5 arches, 1dc into next tr, 3ch, 1dc into next tr, rep from \* to last 3 arches, 3dc into each of last 3 arches, 1dc into last dc. Fasten off.

= Bobble

# V. Edgings and Trimmings

## V.13

Starting chain: Multiple of 4 sts + 4

1st row (right side): Work 1 tr into 5th ch from hook, \*1 ch, miss 2 ch, 1 tr into next ch, rep from \* to end, turn.

2nd row: 1 ch, 1 dc into first tr, \*5 ch, miss 1 tr, 1 dc into next tr, rep from \* to last tr, 5 ch, miss 1 tr and 1 ch, 1 dc into next ch, turn.

3rd row: 1 ch, 1 dc into first dc, work 1 dc into each 5 ch arch to end, 1 dc into last dc, turn.

4th row: 5 ch (count as 1 tr), 2 ch, 1 miss, first dc, 1 dc into next dc, \*3 ch, miss 5 dc, 1 dc into next dc, rep from \* to last dc, 2 ch, 1 tr into last dc, turn.

5th row: 1 ch, 1 dc into first tr, 5 ch, 1 dc into 2 ch sp, into each sp work 1 dc, 5 ch, 1 dc to end placing last dc into 3rd of 5 ch at beg of previous row. Fasten off.

## V.14

Starting chain: Multiple of 9 sts + 4

1st row (right side): Work 1 tr into 4th ch from hook, 1 tr into each ch to end, turn.

2nd row: 1 ch, 1 dc into first tr, 1 tr into dc into next tr, 9 ch, miss 7 tr, 1 dc into next tr, \*3 ch, 1 dc into next tr, 9 ch, miss 7 tr, 1 dc into next tr, rep from \* to end, 1 ch, 1 dc into top of 3 ch, turn.

3rd row: 1 ch, 1 dc into first dc, 1 dc into first ch sp, \*fill into next 9 ch arch, 2 ch into same arch as last, 5 tr work 1 dc, 2 ch, 5 tr, 1 dc into next 3 ch arch, rep from \* to end placing last dc into last ch sp, 1 dc into last dc, turn.

4th row: 9 ch (count as 1 tr), 4 ch, 1 dc into next 2 ch sp, 3 ch, 1 dc into next 2 ch sp, \*9 ch, 1 dc into next 2 ch sp, 3 ch, 1 dc into next 2 ch sp, rep from \* to last 5 tr, 4 ch, 1 tr into last dc, turn.

## V.15

Starting chain: Multiple of 10 sts + 2

1st row (right side): Work 1 dc into 2nd ch from hook, 1 dc into each ch to end, turn.

2nd row: 3 ch (count as 1 tr), miss first dc, 1 tr into each of next 3 dc, \*9 ch, miss 3 dc, 1 tr into each of next 7 dc, rep from \* to end omitting 3 tr at end of last rep, turn.

3rd row: 1 ch, 1 dc into each of first 4 tr, 3 dc into next 3 ch sp, 1 dc into each of next 7 tr, 3 dc into next 3 ch sp, rep from \* to last 4 tr, 1 dc into each of next 3 tr, 1 dc into 3rd of 3 ch at beg of previous row, turn.

4th row: 1 ch, 1 dc into first dc, 2 ch, 1 miss, 2 dc, 1 dc into next dc, 8 ch, miss 5 dc into next dc, \*5 ch, miss 5 dc, 1 dc into next dc, 8 ch, miss 5 dc, 1 dc into next dc, rep from \* to last dc, 2 ch, 1 dc into last dc, turn.

5th row: 1 ch, 1 dc into first dc, 19 tr into 8 ch arch, \*1 dc into next 5 ch sp, 19 tr into next 8 ch arch, rep from \* to last 2 ch sp, 1 dc into last dc. Fasten off.

5th row: 3 ch (count as 1 tr), 5 tr into 4 ch arch, 1 dc into next 3 ch arch, \*5 tr into next 9 ch arch, 2 ch into same arch as last 5 tr work 1 dc, 2 ch, 5 tr, 1 dc into next 3 ch arch, rep from \* to last arch, 5 tr into last arch, 1 tr into 5th of 9 ch at beg of previous row. Fasten off.

## Y.16

Starting chain: Multiple of 615 + 3

**1st row** (right side) Work 1tr into 4th ch from hook, 1tr into each ch to end, turn.

**2nd row** 1ch, 1dc into each of first 2tr. \*7ch, miss 4tr, 1dc into each of next 3tr, rep from \* to end omitting 1dc at end of last rep and placing last dc into top of 3ch. Turn.

3rd row: 1ch, 1dc into each of first 3dc, \*7dc into 7th arch, 1dc into each of next 3dc, rep from \* to end omitting 1dc at end of last rep, turn.

4th row 7ch (count as 1dc, 3ch), miss 4dc, 1dc into each of next  
5dc, \*7ch, miss 7dc, 1dc into each of next 3dc, rep from \* to last  
6dc, 3ch, 1dc, w/o last dc, turn.

5th row: 1ch, 1dc into dr, 3dc into first arch, 1dc into each of next 3dc, \* 7dc into next 7ch arch, 1dc into each of next 3dc, rep from \* to last arch, 3dc into last arch, 1dc into 4th of 7ch st bag of previous row. Fasten off.

## V.17

Starting chain: Multiple of 8 sts + 2

**1st row (right side)** Work 1dc into 2nd ch from hook. 1dc into each ch to end, turn.

2nd row: 7ch, 1dc into each of first 4dc, 1slp, 1st dc work, 1dc, 7ch, 1dc, \*1dc into each of next 7dc, into next dc work, 1dc, 7ch, dc; rep from \* to last 4dc, 1dc into each of last 4dc, turn.

**3rd row:** 3ch into 1st as 1tr miss first dc \*1dc into next dc 9dc into next arch miss 3dc 1dc into next dc 1tr into next dc rep turn \* to end turn

4th row: 1ch, 1dc into first tr, \*4ch, miss 5dc, into next dc work 1dc, 5ch, 1dc, 4ch, miss 5dc, 1dc into next tr, rep from \* to end (leave last dc into 3rd of 3ch at beg of previous row, turn)

**5th row:** 1ch, 1dc into first dc, \*3dc into next 4ch arch, 5dc into next 5ch arch, 3dc into next 4ch arch, 1dc into next dc, rep from \* to end. Fasten off.

## V.18

Starting class: Multiple of 16 etc + 3

## Special Abbreviation

**Cluster** = work 2tr into next st until 1 loop of each remains on hook, yo and through all 3 loops on hook

**1st row (right side)** Work 1tr into 4th ch from hook, \*1ch, miss 3ch, 1tr into next ch; rep from \* to last ch. 1tr into last ch, turn.

2nd row. 3ch (count as 1tr). miss 1st tr. \*1tr into each of next tr ch sp and tr. Sch miss 2 sps. 1tr into next sp. Sch miss 2tr. 1tr into tr. \*1tr into next sp, 1tr into next tr 3 times. Sch miss 4 sps. 1tr into next sp. Sch miss 2tr. 1tr into next tr, rap from \* to next 3 sts. 1tr into next sp. 1tr into next tr. 1tr into top of 3ch turn.

**3rd row** 3ch, miss first tr, 1 tr into each of next 2 tr, 7ch, 1 dc into next tr, 7ch, 1 miss 1 tr, 1 tr into each of next 5 tr, 7ch, 1 dc into next tr, 7ch, rep from \* to last 4 sts, miss 1 tr, 1 tr into each of next 2 tr, 1 tr into 3rd of 3ch at beg of previous row, turn.

4th row: Sch. miss first tr. 1tr into next tr. 7ch. into next dc work 1dc. Sch. 1dc] 7ch. 'miss 1tr. 1tr into each of next 3tr. 7ch. into next dc work] 1dc. Sch. 1dc]. 7ch. 'up from ' to last 3 sts, miss 1tr. 1tr into next tr. 1tr into 3rd of Sch. at beg of previous row, turn

**5th row:** 8ch (count as 1st 3ch) \*miss 7ch arch, work 1 cluster into 8ch arch then [1ch, 1 cluster] 4 times into same arch. 3ch, miss 1st 1st into next 1st 3ch; rep form \* to end anything 3ch all end of last rep and placing last 1st into 3rd of 3ch. Fasten off.

# V. Edgings and Trimmings

## V.19

Starting chain: Multiple of 6 sts + 2

### Special Abbreviation

**Bobble** = work 3tr into next st until 1 loop of each remains on hook, yo and through all 4 loops on hook.

**1st row (right side):** Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row:** 6ch (count as 1tr, 5ch), miss first 6dc, 1tr into next dc, \*5ch, miss 5dc, 1tr into next dc, rep from \* to end, turn.

**3rd row:** 6ch (count as 1tr, 2ch), work 1 bobble into first tr, \*into next tr work [1 bobble, 5ch, 1 bobble], rep from \* to last tr, into 3rd of 3ch at beg of previous row work [1 bobble, 2ch, 1dc], turn.

**4th row:** 1ch, 1dc into first dc, \*7ch, 1dc into next 5ch arch, rep from \* to end, passing last dc into 4th of 6ch at beg of previous row, turn.

**5th row:** 1ch, 1dc into first dc, \*8dc into next 7ch arch, 1dc into next dc, rep from \* to end. Fasten off.

## V.20

Starting chain: Multiple of 9 sts + 5

### Special Abbreviation

**Bobble** = work 3tr into sp until one loop of each remains on hook, yo and through all 4 loops on hook.

**1st row (wrong side):** Work 1tr into 8th ch from hook, \*2ch, miss 2ch, 1tr into next ch, rep from \* to end, turn.

**2nd row:** 3ch (count as 1tr), miss next sp, work 1 bobble into next sp, \*5ch, 1tr into first of these ch [3 times, 1 bobble into same sp as last bobble, \*miss 2 sps, work 1 bobble into next sp, [6ch, 1tr into first of these ch 3 times, 1 bobble into same sp as last bobble, rep from \* to last sp, miss 2ch, 1tr into next ch. Fasten off.

## V.21

Starting chain: Multiple of 18 sts + 18

**1st row (right side):** Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row:** 4ch (count as 1tr), \*miss next 2dc, work [1dc, 2ch, 1tr] into next dc, rep from \* to last 2dc, 1dc into last dc, turn.

**3rd row:** 3ch (count as 1tr), work 4tr into first 2ch sp, \*3ch, miss 1 sp, 4tr into next sp, rep from \* to end, 1tr into 4th of 4ch at beg of previous row, turn.

**4th row:** 6ch (count as 1tr, 3ch), 2dc into first 3ch sp, 7ch, 2dc into next sp, \*3ch into next sp work [1tr, 2ch, 1tr], 3ch, 2dc into next sp, 7ch, 2dc into next sp, rep from \* to last 5 sts, 3ch, 1tr into 3rd of 3ch at beg of previous row, turn.

**5th row:** 1ch, 1dc into first tr, 2ch into 7ch arch, work 4dc and [5ch, st st into first of these ch, 4dc] 3 times, 2ch, \*miss 1 sp, into next 2ch sp work [1dc, 3ch, 1dc], 2ch into 7ch arch, work 4dc and [5ch, st st into first of these ch, 4dc] 3 times, rep from \* to last sp, 2ch, 1dc into 3rd of 6ch at beg of previous row. Fasten off.

## V.22

Starting chain: Multiple of 10 sts + 3

**1st row** (right side): Work 1tr into 4th ch from hook, 1tr into each ch to end, turn.

**2nd row** 1ch, 1dc into each of first 2tr, 2ch, miss 2tr, into next tr work 2tr, 2ch, then miss 2tr, 1dc into each of next 5tr, rep from " to end omitting 2dc at end of last rep and placing last dc into top of 1ch at beg of previous row, turn.

**3rd row** 1ch, dc into each of first 2dc, 3ch, miss next 2ch sp, into next 2ch sp work [3tr, 2ch, 3tr, 1ch, miss 1dc, 1tr] into each of next 3tr, rep from " to end omitting 1tr at end of last rep, turn.

**4th row** 1ch, 1dc into first dc, 1ch, miss next 3ch sp, into next 2ch sp work [4tr, 2ch, 4tr], 4tr, miss 1dc, 1dc into next dc, rep from " to end, turn.

**5th row** 1ch, 1dc into first dc, 1ch, miss next 4ch sp, into next 2ch sp work [4tr, 2ch, 4tr], 5ch, 1dc into next dc, rep from " to end. Fasten off.

## V.23

Starting chain: Multiple of 8 sts + 3

**1st row** (right side): Work 1tr into 4th ch from hook, 1tr into each ch to end, turn.

**2nd row** 1ch, 1dc into each of first 3tr, 2ch, miss 1tr, into next tr work [2tr, 2ch, twice, miss 1tr, 1dc into each of next 5tr, rep from " to end omitting 2dc at end of last rep and placing last dc into top of 3ch at beg of previous row, turn.

## V.24

Starting chain: Multiple of 8 sts + 6

**1st row** (right side): Work 1tr into 10th ch from hook, 1ch, miss 3ch, into next ch, rep from " to end, turn.

**2nd row** 1tr, 1dc into first tr, 1ch, into next tr work [3dtr, 3ch, 3ch, 2ch, 1dc into next tr, rep from " to end placing last dc into 5th ch, turn.

**3rd row** 1ch, 1dc into first dc, 5ch, 1dc into next 3ch sp, 1ch, 1dc into next dc, rep from " to end, turn.

**4th row** 1ch, 1dc into first dc, 14ch, dc into next dc, rep from " to end, turn.

**5th row** 1ch, 1dc into first dc, 3ch, into next dc work [3dtr, 3ch, 1tr, 3ch, 1dc into next dc, rep from " to end. Fasten off.

**3rd row** 1ch, 1dc into each of first 2dc, 1ch, miss next 2ch sp, into next 2ch sp work [3tr, 2ch, 3tr], 3ch, miss 1dc, 1dc into each of next 3dc, rep from " to end omitting 1dc at end of last rep, turn.

**4th row** 1ch, 1dc into first dc, 1ch, miss next 3ch sp, into next 2ch sp work [4tr, 2ch, 4tr], 4ch, miss 1dc, 1dc into next dc, rep from " to end, turn.

**5th row** 1ch, 1dc into first dc, 1ch, miss next 4ch sp, into next 2ch sp work [4tr, 2ch, 4tr], 5ch, 1dc into next dc, rep from " to end. Fasten off.

# Pattern Instructions

A bobble, popcorn or cluster that is worked into a chain space is shown in the diagram spread out more than one working into a stitch; therefore on the diagrams they will not be closed at the base.

5 triple bobble into a stitch or space

## Working Around the Stem of a Stitch

Inserting the hook round the whole stem of a stitch creates raised or relief effects.

Working around the front of stem gives a stitch that lies on the front of the work.

Working around the back of stem gives a stitch that lies on the back of the work.

## Working Between Stitches

Inserting the hook between the stems of the stitches produces an open effect.

Ensure the number of stitches remains constant after each row.

## Working Under the Front or Back Loop Only

Inserting the hook under one loop at the top of the stitch leaves the other loop as a horizontal bar.

### Working in Rows

If you work consistently into the front loop only you will make a series of ridges either fully on the back and front of the work. Working into the back loop only makes the ridges appear alternately on the front and back of the work.

If however you work alternately into the front loop only on one row and then the back loop only on the next row, the horizontal bars will all appear on the same side of the fabric.

### Working in Rounds

Working always into the front loop only will form a bar on the back of the work, and vice versa.

## Pattern Instructions

In order to follow crochet instructions you should know how to make the basic stitches and to be familiar with basic fabric-making procedures.

Any unusual stitches or combinations of stitches have been given as a Special Abbreviation with the particular pattern.

Any specific techniques, for example working with padding threads, are given

at the start of the relevant section, in this case Irish Style Crochet.

All the patterns in this book have been given in the form of both written instructions and diagrams, so that you can choose to follow either method.

However, if you are more used to written instructions it is a good idea to look at the diagram to get an overall picture of how the design has been put together.

Diagram 'drawers' may find it helpful to refer to the written instructions to confirm their interpretation of the diagram.

## Working from a Diagram

Diagrams should be read exactly as the crocheter is worked. For example motifs are worked from the centre outwards and all over patterns from the bottom to the top. Where the direction of work within a design is not obvious, check the drawing or arrows are given to show where the direction changes. (In example 1.1.1 on page 1.1.1, each stitch is represented by a symbol that has been drawn to resemble its crocheted equivalent. The position of the symbol shows where the stitch should be worked.)

Stitch symbols are drawn and laid out as realistically as possible but there are times when they have to be distorted for the sake of clarity. For example stitches may look extended to show clearly where they are to be placed, but you should not try to make excessively long stitches. This distortion is particularly apparent on diagrams that represent fabric not intended to be flat, for example 1.1.1 on page 1.1.1. Sometimes it has been necessary to use a coloured arrow to indicate when particular stitches should be worked. This occurs most often in the Irish Style Crochet section, because many of the designs are three-dimensional.

## Right Side and Wrong Side Rows

Where the work is turned after each row only alternate rows are worked with the right side of the work facing. These right side rows are printed in black on stitch diagrams and read from right to left. Wrong side rows are printed in blue and read from left to right. Row numbers are

# V. Edgings and Trimmings

## V.25

Starting chain: Multiple of 6 sts + 6

### Special Abbreviation

**Bobble** = work 4tr into ch until 1 loop of each remains on hook yo and through all 5 loops on hook

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn

**2nd row** 5ch (count as 1tr), 3ch, miss 1dc, 1tr into next dc, 1ch, miss 1dc, 1tr into next dc, 3ch, miss 3dc, 1tr into next dc, rep from \* to end, turn

**3rd row** 1ch, 1dc into first tr, \*4ch, miss 1dc, 1 bobble into next ch, 4ch, 1dc into next tr, 1ch, 1dc into next tr, rep from \* to end, omitting last ch and dc and working final dc into 3rd of 6ch at beg of previous row. Fasten off

## V.26

Starting chain: Multiple of 11 sts + 3

### Special Abbreviation

**Bobble** = Work 3tr into 3ch loop until 1 loop of each remains on hook, yo and through all 4 loops on hook

**1st row** (right side): Work 1tr into 4th ch from hook, 1tr into each ch to end, turn

**2nd row** 1ch, 1dc into first tr, \*5ch, 1st st into 3rd ch from hook, 7ch, miss 10tr, 1dc into next tr, rep from \* to end, placing last dc into top of 3ch, turn

**3rd row** 5ch, work 1 bobble into next 3ch loop, 5ch into same loop as last bobble work [1 bobble, 5ch, 1 bobble], 1tr into next dc, rep from \* to end. Fasten off

## V.27

Starting chain: Multiple of 8 sts + 2

### Special Abbreviation

**Triple loop** = st into next dc, [7ch, 1 st] 3 times into same dc

**1st row** (wrong side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn

**2nd row** 1ch, work 1dc into each dc to end, turn

**3rd row** 1ch, 1dc into each of first 3dc, \*8ch, miss 3dc, 1dc into each of next 5dc, rep from \* to end, omitting 2dc at end of last rep, turn

**4th row** 1ch, 1dc into each of first 2dc, \*5ch, 1dc into next 9ch arch, 5ch, miss 1dc, 1dc into each of next 3dc, rep from \* to end, omitting 1dc at end of last rep, turn

**5th row** 1ch, 1dc into first dc, \*5ch, miss 1dc, 1dc into next dc, rep from \* to end, turn

**6th row** 1ch, 1dc into first dc, \*5ch, work 1 triple loop into next dc, 5ch, 1dc into next dc, rep from \* to end. Fasten off

## V.28

Starting chain: Multiple of 5 sts + 1

### Special Abbreviation

**Popcorn** = work 4tr into next dc, drop loop from hook, insert hook from the front into top of first of these tr, pick up dropped loop and draw through tr, 1ch to secure popcorn

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn

**2nd row** 4ch (count as 1tr), 2ch, miss first 2dc, 1dc into next dc, \*5ch, miss 4dc, 1dc into next dc, rep from \* to last 2dc, 2ch, 1tr into last dc, turn

**3rd row** 1ch, 1dc into first tr, 3ch, 1 popcorn into next dc, 3ch, 1dc into next 5ch arch, 3ch, 1 popcorn into next dc, 3ch, rep from \* to last sp, 1dc into 2nd of 4ch at beg of previous row. Fasten off

## V.29

**Starting chain:** Multiple of 6 sts + 4

### Special Abbreviations

**Bobble** = work 3tr into next st until 1 loop of each remains on hook, yo and through all 4 loops on hook.

**Cluster** = work 1dc into next ch sp until 2 loops remain on hook, 3tr into top of next bobble until 1 loop of each remains on hook (5 loops on hook), miss 1ch sp, 1dc into next ch sp until 6 loops remain on hook, yo and through all 8 loops on hook.

**1st row** (wrong side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row** 4ch (count as 1tr, 1ch), miss first 4dc, 1dc into next dc, work 1ch, 1 bobble, 1ch, 1dc into same st as last dc, 1ch, miss 5dc, 1dc into next dc, work 1ch, 1 bobble, 1ch, 1dc into same st as last dc, 1ch rep from \* to last 4dc, tr into last dc, turn.

**3rd row** 6ch (count as 1tr, 1ch), 1 dc, miss next 4dc, 1dc into next dc, work 1ch, 1 bobble, 1ch, 1dc into same st as last dc, 1ch rep from \* to last 4dc, tr into last dc, turn.

**4th row** ch 1dc into first tr, 1dc into first ch sp, 1dc into top of first cluster, 5dc into next 5ch sp, 1dc into top of next cluster, rep from \* to last sp, 1dc into last sp, do into 3rd of 6ch at beg of previous row. Fasten off.

## V.30

**Starting chain:** Multiple of 4 sts + 2

**1st row** (right side): Work 1dc into 2nd ch from hook, 1dc into each ch to end, turn.

**2nd row** 6ch (count as 1tr, 3ch), miss first 4dc, 1tr into next dc, 3ch, miss 3dc, 1tr into next dc, rep from \* to end.

**3rd row** 1ch, 1dc into first tr, 3ch, 1tr into next sp, 3ch, work 7tr over stem of 1tr just worked, 1dc into next tr, rep from \* to end, placing last dc into 3rd of 6ch at beg of previous row. Fasten off.

 = Bobble

 = Cluster

## V.31

**Worked lengthways:**

**1st row** (right side): Make 31ch, work 1tr into 7th ch from hook (2ch, miss 2ch, 1tr into next, ch 8 times, turn) (9 sts).

**2nd row** 5ch (count as 1tr, 1ch), miss next 4dc, 1tr into next dc, 2ch, 1tr into next dc, 3 times, 5ch, miss next 4 sps, 1tr into next sp, work 1ch, 1tr, 1tr into next sp, rep from \* to end, turn.

**3rd row** 1ch, 1dc into next tr, next 3ch sp work (1tr, 1tr, 1dc, 1tr, 1tr, 1dc, 1tr into next 3ch sp work, 1dc, 1tr, 1tr, 1dc, 1tr, 1tr, 1dc into next tr, 5ch, 1tr into next tr, 2ch, 1tr into next tr, 4 times, placing last tr into 3rd of 5ch at beg of previous row, turn.

**4th row** 5ch (count as 1tr, 2ch), miss first tr, 1tr into next tr, 2ch, 4 times, 1tr into 5ch sp, 7ch, miss last group of 7 sts, work 1tr into div at centre of next group of 7 sts, 3ch, 1tr, 3 times into same st as last tr, turn.

**5th row** 1ch, 1dc into next tr, into first 3ch sp work (1tr, 1tr, 1dc, 1tr, 1tr, 1dc, 1tr into next 3ch sp work, 1dc, 1tr, 1tr, 1dc, 1tr, 1tr, 1dc into next tr, 5ch, 1tr into 7ch sp, 2ch, 1tr into next tr, 6 times, placing last tr into 3rd of 5ch at beg of previous row, turn.

**6th row** 5ch (count as 1tr, 2ch), miss first tr, 1tr into next tr, 2ch, 6 times, 1tr into 5ch sp, 7ch, miss first group of 7 sts, work 1tr into div at centre of next group of 7 sts, 3ch, 1tr, 3 times into same st as last tr, turn.

**7th row** 1ch, 1dc into next tr, into first 3ch sp work (1tr, 1tr, 1dc, 1tr, 1tr, 1dc, 1tr into next 3ch sp work, 1dc, 1tr, 1tr, 1dc, 1tr, 1tr, 1dc into next tr, 5ch, 1tr into 7ch sp, 2ch, 1tr into next tr, 8 times, placing last tr into 3rd of 5ch at beg of previous row, turn.

Rep 2nd to 7th rows ending with a 7th row.

## V.32

WEEKEND 14/01/2014

### Special Abbreviations

**Popcorn all bag of row** 3ch work by  
1st row sp drop loop from hook insert  
hook from the front into top of 3ch pick up  
dropped loop and draw through ch to  
finish.

**Mr-Popcorn** work it in to new sp then complete as ur popcorn at beg of row inserting hook into top of first of these tr.

Market: Citi Street 100 x 100 ft. 400 walls @ 4.51

1st row right side 3rd count in to work 1-4 into into turn

[illegible]

3rd row Work 1 popcorn at beg of pw.  
[3ch 1 popcorn end next 2ch sp 6  
times, turn.

4th row 1 sth, 1 sc, 1 tr, 2 sps, work 1 dc.  
5th 1 dc, 1 sc, 1 tr, 2 sp, turn.

5th row left column as the work 1.4th and  
5th up and

Flip and to left rows of edging is re-  
quired right along with a 1st row. Do  
not work out-until you see the edging  
as follows:

**1st Final row** 7ch; 1dc into top formed at beg of 2nd row of pattern. 5rr; 1dc into top formed at beg of 11th row of pattern. 10ch; 1dc into top formed at beg of 2nd row of pattern; rep rows 1-6 and last.

**2nd Final row** 1c 1dc into 1st st. \*5dc into 5ch sp. 1dc into next dc. rep from \* to end. Fasten off.

## V.33

### Worked examples

**1st row** (wrong side) Make 20 ch, work 11 r into 6th ch from hook. \* 1 ch, mss 5 ch. Piv. 1/2 way, 1/2 1st row back \* to end. 5 sp.

2nd row: 7ch, 1miss, begin p1st, 1miss, next row: 7ch, 1miss, 3l, 1miss, next  
lr, 1ch, twice, miss, 1ch, 1l, 1miss, next, 3l  
turn.

3rd row: 4ch counts 1fr 1ch mess 1fr  
1r 1l into next 1ch 1p into next 1ch  
mess 1ch 1l into next 1ch 3 times 1ch  
1r into next 1ch 3 times

1st, 2nd and 3rd rows

Worked at 27 m.s.y.

1st row wrong side Make 4th count as 1st 1ch work 2nd row test of these ch 2ch 3rd row same ch as 1st 2nd turn

## V.35

Wiederholungsfragen

## Tunisian Crochet

Tunisian or Afghan crochet is worked with a long hook available in the same range of thicknesses as traditional crochet hooks. The hooks are longer than crochet hooks as they are required to hold the loops created on the first (Forward) half of the row before working them off on the return half.

The fabric produced by this technique can be dense and thick. It is important to use a suitable size of hook in relation to the yarn. This is usually at least two sizes larger than would be used when working ordinary crochet with the same yarn.

Each row is worked in two parts. The first or 'Forward' part of the row involves working from right to left and pulling up loops or stitches on to the hook. On the second or 'Return' part of the row these loops are worked off again as the hook travels back from left to right. Tunisian crochet is nearly always made without turning, therefore the right side is always facing.

### Holding the Hook

The hook should be held in the centre with the hand as shown in the diagram.

### Starting Chain

Make the number of chains needed to correspond with the number of stitches required in the first row.

#### • TIP •

When working a large piece it is sensible to start with more chains than necessary as it is simple to undo the extra chains if you have miscounted.

Although there are exceptions, Tunisian stitch patterns usually begin with the same initial forward and return row referred to as **Basic Forward and Return row**.

### Forward

- 1 Working into back loop only of each chain, insert hook into second chain from hook, yarn over, draw loop through and leave on hook.
- 2 Insert hook into next chain, yarn over, draw loop through and leave on hook.

Repeat this in each chain to end. Do not turn. The number of loops on hook should equal the number of stitches required for first row.

**Note:** Because the fabric produced in Tunisian crochet is usually firmer than in ordinary crochet we recommend that the hook is inserted into the back loop only of the starting chain as this produces a firmer edge.

### Return

- 1 Yarn over, draw through one loop. (This chain forms the edge stitch).

- 2 Yarn over and draw through two loops.

- 3 Repeat step 2 until one loop remains on hook. Do not turn. The loop remaining on the hook becomes the first stitch of the following row.

### The Basic Stitches

These are produced by varying the technique of picking up loops on the Forward row.

### Tunisian Simple Stitch (Tss)

- 1 Insert hook from right to left behind single vertical thread.

- 2 Yarn over hook.

- 3 Draw loop through and leave on hook. Unless otherwise stated, the hook is always inserted in this way. For example, Tunisian half trebles, trebles etc are usually worked from this position.

# VI. Tunisian Crochet

## Making Tunisian Fabric

Make chain as required and work a Basic Forward and Return row. Generally the single loop on the hook at the end of each Return row counts as the first stitch in the next Forward row and so the first stitch is missed. (As shown in first diagram for Tunisian simple stitch.)

**Next rows:** Pick up loop in each stitch (Tss or as required) including edge stitch.

if you require a firmer edge at the end of the row you can work through two loops of the last stitch.

Return as Basic Return row.

Repeat Forward and Return row as required. It is important to understand how to produce basic Tunisian fabric before attempting pattern stitches.

## Finishing Off

It is possible simply to finish with a Return row, cutting yarn and threading it through the remaining stitch to secure. However the following method leaves a neater edge and is useful where the Tunisian fabric is complete in itself, as for a mat or rug for example.

1. Finish with Return row. Insert hook into next stitch, yarn over.

2. Draw through two loops. Repeat steps 1 and 2 to end. Fasten off remaining loop.

**Note:** The hook can be inserted as if working Tunisian simple. Tunisian knit or Tunisian purl stitches so that stitches can be finished off in pattern.

## Tunisian Knit Stitch (Tks .)

1. Insert hook from front to back through fabric and below chain formed by previous Return row to right of front vertical thread but to left of corresponding back thread.

2. Yarn over, draw loop through and leave on hook.

3. Repeat steps 1 and 2 in each stitch. At the last stitch of each Forward row work under two loops, return as Basic Return row.

## Tunisian Purl Stitch (Tps .)

1. Bring yarn to front, insert hook as to Tunisian simple stitch.

2. Take yarn to back of work and over hook, yarn over, draw loop through and leave on hook.

Repeat steps 1 and 2 in each stitch to the end, return as Basic Return row.

## Increasing

### Inc 1Tss

1 To increase one stitch on a Forward row, insert hook under the back loop between two stitches, yarn over and draw loop through.

2 Work next stitch in the normal way.

Two loops are to be worked off on Return row.

## Decreasing

### Tss2tog

1 To decrease one stitch on a Forward row, insert hook through two stitches.  
2 Yarn over and draw through loops. One loop to be worked off on Return row.

**Note:** Tss2tog is often worked in conjunction with a yarn over to create a lace effect. For example: Yo, Tss2tog.

### Tss2tog, yo

Two loops are then worked off on the Return row.

### Tss3tog

To decrease two stitches on a Forward row work as Tss2tog but insert hook through next three stitches.

## Changing Colour

1 When a colour change is required at the beginning of a Forward row, yarn over in the new colour when two loops remain on the hook at the end of previous Return row.

2 Draw through both loops. To change colour at the beginning of a Return row change yarn and continue to work as normal.

## Stitch Variations

### Tunisian Treble (Ttr)

1 Make two chain for the first stitch at beginning of the row. Yarn over and insert hook into the next stitch as if working a Tunisian simple stitch.

2 Yarn over and draw loop through.

3 Yarn over and draw through two loops on hook.

4 Leave remaining loop on hook.

# VI. Tunisian Crochet

5 Treble is completed when Return row is worked

Tunisian half treble (Tht), Tunisian double treble (Tdt), Tunisian triple treble (Ttr) etc. are also used frequently within Tunisian patterns. As with Tunisian trebles these stitches are worked in the same way as for crochet. Refer to introduction on pages 5 and 6 for detailed instructions of how to work these stitches. When working Tunisian fabric, unless otherwise stated, the hook should be inserted as if working a Tunisian simple stitch and the stitch then worked as for crochet until one loop remains on the hook. Stitches are completed on the Return row. Turning chains are made at the beginning of Forward rows and are usually one chain less than for ordinary crochet. Refer to individual pattern instructions.

## Working between stitches

- 1 Insert hook between vertical loops that form stitches.
- 2 Yarn over and draw loop through.

Tht, Td, Ttr etc. can also be worked between stitches

## Tunisian Slipped Stitch (Tsl st | )

- 1 Insert hook into stitch as if working Tunisian simple stitch but do not pull yarn through

- 2 Continue working leaving slipped stitch on hook

## Twisted Tunisian Simple Stitch (TwTss | )

- 1 Insert hook into stitch from left to right

- 2 Yarn over and draw loop through

- 3 Finish stitch with Basic Return row

## Tunisian Bobbles

The following instructions are for a frequently used bobble. However individual pattern instructions should be followed

- 1 Yarn over and insert hook into next stitch as if working Tunisian simple stitch, yarn over and draw loop through

- 2 Repeat step 1 twice more into same stitch as before

- 3 Yarn over and draw through all six loops. Remaining loop is worked off on Return row

## Surface Decoration

The evenness of Tunisian simple stitch makes it ideal to add surface decoration. The fabric in the photograph above has been embroidered using cross stitch. The diagram below indicates where to position the crosses in relation to the threads of the fabric.

It is also possible to use many other embroidery stitches in a similar way.

## Following Tunisian Pattern Instructions

All Tunisian patterns are given in the form of written instructions and stitch diagrams. Much of the information about following pattern instructions (pattern repeats, tension etc. given on pages 10 to 12) apply equally to Tunisian crochet. The stitch diagrams however are given on a grid where one rectangle represents one stitch.

Return row Forward row

worked over a Forward and Return row. Stitches within dark lines form the pattern repeat. Compare stitch diagrams with written instructions if you have difficulty following the pattern.

## Abbreviations and Symbols

### Abbreviations

beg = beginning, ch = chain, dec = decrease, inc = increase, rep = repeat, sp = space, st(s) = stitch(es), tog = together, Tdc = Tunisian double treble, Ttr = Tunisian half treble, Tks = Tunisian knit stitch, Tps = Tunisian puri stitch, Tsl st = Tunisian slipped stitch, Tss = Tunisian simple stitch, Ttr = Tunisian treble, Ttr = Tunisian triple treble, TwTss = Twisted Tunisian simple stitch, yo = yarn over, yf = yarn forward, yb = yarn back.

### Common Symbols

**Note:** All symbols represent a completed stitch. The lower part of the symbol is worked on the Forward row where the loops are held on the hook, the upper part (or swash) is worked on the Return row when the loops are worked off.

- ┆ = Tunisian simple stitch (Tss)
- ┆ = Tunisian puri stitch (Tps)
- ┆ = Tunisian knit stitch (Tks)
- ┆ = Tunisian slipped stitch (Tsl st)
- ┆ = Twisted Tunisian simple stitch (TwTss)
- ┆ = Tss worked under chain loop and between two vertical loops of previous row
- ┆ = Tss worked into back loop only of stitch in previous row
- ┆ = Tunisian half treble (Ttr)
- ┆ = Tunisian treble (Ttr)
- ┆ = Tunisian treble worked between stitches
- ┆ = Increase one Tunisian simple stitch (inc 1 Tss)
- ┆ = Tunisian simple stitch two together (Tss2tog)
- ┆ = Tunisian simple stitch three together (Tss3tog)
- ┆ = Make Bobble (MB)
- ┆ = Yo, Tss2tog
- ┆ = Tss2tog, yo
- ┆ = Yo, Tss3tog, yo

## VI.1

**Note:** Because this pattern incorporates a slipped stitch it should be worked on a hook which is at least 2 sizes (1 mm) larger than usual.

Multiple of 2 sts + 3

**1st row:** Using A, as Basic Forward and Return row, changing to B when 2 loops remain and gl return.

**2nd row:** Using B, with 1 loop on hook, \*1 Tss into next st, 1 Tsl st into next st, rep from \* to end 2 x, 1 Tss into each of next 2 sts. Return, changing to A when 2 loops remain.

**3rd row:** Using A, with 1 loop on hook, \*\*1 Tsl st into next st, 1 Tss into next st, rep from \* to end. Return, changing to B when 2 loops remain.

Rep 2nd and 3rd rows.

## VI.2

Multiple of 2 sts + 1

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, \*1 TwTss into next st, 1 Tss into next st, rep from \* to end. Return.

Rep 2nd row.

# VI. Tunisian Crochet

## VI.3

Any number of sts

**Note:** Check the number of sts after each Forward row. It will be easier to keep the number of sts correct and the edges of the material straight if you take care to align the placing of the first Tss, as given on 2nd and 3rd rows.

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, work 1 Tss into space between 2nd and 3rd sts. 1 Tss into each sp to end. 1 Tss into last st. Return.

**3rd row:** With 1 loop on hook, work 1 Tss into space between 1st and 2nd sts. 1 Tss into each sp to last st, miss last sp, work 1 Tss into last st. Return.

Rep 2nd and 3rd rows.

Rep it a stitch

## VI.5

Multiple of 4 sts + 3.

**1st row:** Using A, as Basic Forward and Return row, changing to B when 2 loops remain.

**2nd row:** Using B, with 1 loop on hook. 1 Tss into next st, work 1 Tss into each of next 3 sts, rep from "to last 2 sts." 1 Tss into next st, work 1 Tss into last st. Return, changing to A when 2 loops remain.

**3rd row:** Using A, with 1 loop on hook, work 1 Tss into each st to end. Return, changing to B when 2 loops remain.

**4th row:** Using B, with 1 loop on hook, work 1 Tss into each of next 2 sts. 1 Tss into next st. 1 Tss into each of next 3 sts, rep from "to end." Return, changing to A when 2 loops remain.

**5th row:** As 3rd row.

Rep 2nd to 5th rows.

Rep these 4 sts

## VI.7

Multiple of 2 sts + 2

**Special Abbreviation**

**Cross 2:** miss next st. 1 Tss into next st. 1 Tss into missed st.

**Note:** The crossed stitches appear 1 row below the row on which the cross 2 is worked.

**1st row:** Using A, as Basic Forward and Return row.

**2nd row:** Using A, with 1 loop on hook. 1 Tss into each st to end. Return.

**3rd row:** Using B, as 2nd row.

**4th row:** Using A, with 1 loop on hook. 1 Tss into each of next 2 sts, rep from "to last st." 1 Tss into last st. Return.

Rep 2nd to 4th rows.

Rep these 4 sts

## VI.4

Multiple of 2 sts + 3

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook. 1 Tss into next st. 1 Tss into next st, rep from "to end." Return.

**3rd row:** With 1 loop on hook. 1 Tss into next st. 1 Tss into next st, rep from "to last 2 sts." 1 Tss into each of last 2 sts. Return.

Rep 2nd and 3rd rows.

Rep these 2 sts

## VI.6

**Note:** It is recommended that this stitch is worked using a hook 1 or 2 sizes (0.5mm or 1mm) larger than usual.

Multiple of 2 sts + 3

**Special Abbreviation**

**Sl 1 fwd + yf:** insert hook into next st without working it, yf.

**1st row:** Using A, as Basic Forward and Return row.

**2nd row:** Using B, with 1 loop on hook. 1st fwd. 1 Tss into next st, rep from "to end." Return, changing to A when 2 loops remain.

**3rd row:** Using A, with 1 loop on hook. 1 Tss into next st, sl 1 fwd, rep from "to last 2 sts." 1 Tss into each of last 2 sts. Return, changing to B when 2 loops remain.

Rep 2nd and 3rd rows.

Rep these 3 sts

## VI.8

Multiple of 14 sts + 7

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, work 1 Tss into each of next 6 sts, \*work 1 Tss into each of next 7 sts, work 1 Tss into each of next 7 sts, rep from \* to end. Return.

**3rd to 7th rows:** Rep 2nd row 5 times more.

**8th row:** With 1 loop on hook, work 1 Tss into each of next 8 sts, \*work 1 Tss into each of next 7 sts, work 1 Tss into each of next 7 sts, rep from \* to end. Return.

**9th to 13th rows:** Rep 8th row 5 times more.

Rep 2nd to 13th rows.

Rep these 14 sts

## VI.9

## VI.10

Using A make 12ch

**1st row:** With 1 loop on hook, work 1 Tss into next ch. Return.

**2nd row:** With 1 loop on hook, work 1 Tss into next st, then work 1 Tss into next ch (3 loops on hook). Return.

**3rd row:** With 1 loop on hook, work 1 Tss into each of next 2 sts, then work 1 Tss into next ch (4 loops on hook). Return.

Continue working in this manner until all 12ch have been picked up (12 loops on hook). Return, changing colour when 2 loops remain.

Using B, rep these 11 rows but working into sts of previous colour instead of ch. Continue working segments in alternate colours until 6 segments in all have been worked. Fasten off last st to a seam.

## VI.11

Work as VI.8 but working 3 rows in colour A and 1 row in colour B throughout, or work using random colours as illustrated below.

Multiple of 14 sts + 1

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, \*inc 1 Tss work 1 Tss into each of next 4 sts, Tss3ing work 1 Tss into each of next 5 sts, inc 1 Tss, rep from \* to end. Return.

Rep 2nd row.

shown at the side of the diagrams at the beginning of the row

Patterns worked in rounds have the right side rows facing on every round. To make them easier to follow we have printed alternate rounds in black and blue

## Starting Chains and Pattern Repeats

The number of starting chain required is given with each pattern. It may be given in the form of a multiple, for example **Starting chain: Multiple of 7 st + 3.** This means you can make any length of chain that is a multiple of 7 + 3, such as 14 + 3ch, 21 + 3ch, 28 + 3ch etc

In the written instructions the stitches that should be repeated are contained within brackets [ ] or follow an asterisk \*. These stitches are repeated across the row or round the required number of times. On the diagrams the stitches that have to be repeated can be easily visualised. The extra stitches not included in the pattern repeat are there to balance the row or make it symmetrical and are only worked once. Obviously turning chains are only worked at the beginning of each row. Some diagrams consist of more than one pattern repeat so that you can see more clearly how the design is worked.

## Working in Colour

Capital letters A, B, C etc are used to indicate different yarn colours in both written instructions and diagrams. They do not refer to any particular colour. See page 7 for instructions on changing colour within a pattern.

## Tension (or Gauge)

This refers to the number of stitches and rows in a given area. When following a pattern for a garment or other article the instructions will include a specified tension. If you do not produce fabric with the same number of stitches and rows as indicated, your work will not come to the measurements given.

To ensure that you achieve the correct tension work a tension sample or swatch before starting the main part of the crochet. The hook size quoted in the pattern is a suggestion only. You must use whichever hook gives you the correct tension.

If you are going to use a stitch pattern from this book to design an article of your own, it is still important to work a tension sample in order to calculate the number of stitches you will require. It is worth experimenting with different hook sizes so that you find the best tension for your chosen

pattern and yarn. Some stitches look and feel better worked loosely and others need to be worked more firmly to be at their best.

## Shaping

If you are working crochet to make something which requires shaping, such as decreasing for the neckline of a garment or increasing to add width for a sleeve, you need to know something about shaping. Increasing is generally achieved by working two or more stitches in the pattern where there would normally be one stitch. Conversely decreasing is achieved by working two or more stitches together or

missing one or more stitches. However it can be difficult to know exactly where these adjustments are best made, and a visual guide would make the work easier.

On the diagrams below we show you some examples of shapings which cover a variety of possibilities. We recommend that you use this method yourself when planning a project. First pencil trace the diagram given with the stitch. If necessary repeat the tracing to match the repeat of the pattern until you have a large enough area to give you the shape you require. Once this is correct ink it in so that you can draw over it in pencil without destroying it. Now draw over this the shaping you require matching as near as possible the style of the particular pattern you are using.

## VI. Tunisian Crochet

## VI.12

Multiple of 2 etc + 3

### Special Abbreviation

**Long Tir** (worked on Forward rows) - loosely work 1 Tir into next st 2 rows below

1st row: As Basic Forward and Return  
row:

2nd row. With 1 loop on hook work 1 Tss into each st to end. Return.

**3rd row:** With 1 loop on hook, \*1 long Tr into next st; rep from \* to end. Return.

**4th row:** With 1 loop on hook, \* 1 Tss into next st, 1 long Tr rap from \* to last 2 sts, 1 Tss into each of last 2 sts. Return.

Reg 3rd and 4th rows

Flower Human 2 site

## VI.13

Work as V. 12 but working 1 row each in colours A and B throughout.

Charles E. Overman, Editor

## VI.14

Multiple of  $R$  size  $+4$ 

### Test now: As Basic Forward and Return

**2nd row:** With 1 loop on hook, work 1Tss into each of next 3 sts. \*work 1Tps into each of next 4 sts. work 1Tss into each next 4 sts. rep from \* to end. Return

Rec 2nd row

## V1.15

Multiple of 10 size = 11

1st row: As Basic, Forward and Return row.

```

2nd row: With 1 loop on hook, 1Tps into
next st, 1Tps into each of next 2 sts
1TpsTss into next st, 1Tss into next st
1TssTss into next st, 1Tps into next st
1Tps into next st, 1Tps into next st twice
1Tss into each of next 2 sts, rep from * to
last 2 sts, 1TssTss into next st, 1Tps into
next st, 1TssTss into next st, 1Tps into
next st, 1Tss into next st twice. Return

```

```
3rd row: With 1 loop on hook, 1Tss into
next st, 1Tps into next st, 1Tss into next
st, [1TwTss into next st, 1Tss into next st]
twice, [1Tps into next st, 1Tss into next st]
3 times, rep from " to last 7 sts, [1TwTss
into next st, 1Tps into next st] twice, 1Tps
into next st, 1Tss into next st, 1Tps into
next st, Return
```

Run 2nd and 3rd rows

## VL16

Maintenance of 61, 204, 2

## Special Abbreviations

**Basic Group 3** - first part worked as Basic Forward rpw. on return row work 1ch. yo. draw hook through 4 loops. 1ch

**Group 3** – on Forward row insert hook under next ch yo draw loop through, insert hook into pop over the group 3 on previous row, yo, draw loop through, insert hook under next ch yo draw loop through. On return row work 1ch yo draw hook through 4 tops 1c

**1st row** As Basic Forward row. Returns follows: Ya, draw hook through 1 loop, [yo, draw hook through 2 loops, twice "basic group 3, [yo, draw through 2 loops, 3 times, rep from " to end

**2nd row:** With 1 loop on hook, work 1Tss into each of next 2 sts. \*group 3, work 1Tss into each of next 3 sts. rep from \* to end. Return as follows: Yo, draw hook through 1 loop, [yo, draw hook through 2 loops] twice. \*group 3, [yo, draw through 2 loops] 3 times. rep from \* to end.

Prep 2nd time

For these 5 sites

## VL17

Work as given for  $V_1$  16 but working 1 row in A and 1 row in B throughout.

## VI.18

Multiple of 6 sts + 5

### Special Abbreviation:

**MB (Make Bobble)** - using colour B [yo, insert hook into next st, yo and draw loop through] 3 times, into same st, yo and draw through 8 loops, see Note

Rep these 5 sts

**Note:** Pattern is worked in colour A on every row. Colour B is used for bobbles only and is carried *loosely* across back of work on 2nd and 4th rows. Cut and rejoin colour B at beginning of each bobble row.

**1st row:** As Basic Forward and Return row.  
**2nd row:** With 1 loop on hook, work 1 Tss into next st, MB into next st. \*1Tss into each of next 5 sts, MB into next st, rep from \* to last 2 sts, Tss into each of last 2 sts. Return using A only.

**3rd row:** With 1 loop on hook, 1Tss into each st to end. Return.

**4th row:** With 1 loop on hook, 1Tss into each of next 4 sts, \*MB into next st, 1Tss into each of next 5 sts, rep from \* to end. Return using A only.

**5th row:** As 3rd row.  
Rep 2nd to 5th rows.

## VI.20

Multiple of 10 sts + 7

### Special Abbreviation:

**STtr fan** - miss next 2 sts, work 5 loose Ttr round stem of next st 3 rows below miss next 2 sts (see diagrams)

Rep these 3 sts

= STtr fan

## VI.19

Work as given for VI.18, but working 1 row of bobbles each in colours B, C and D.

## Tunisian 5 Treble Fan

1. Miss two stitches. Loosely work a Tunisian Treble into the next stitch three rows below (inserting hook as indicated).

2. Loosely work four more Tunisian Trebles into the same stitch.

3. Miss two stitches and continue working.

# VI. Tunisian Crochet

## VI.21

Multiple of 6 sts + 7

### Special Abbreviations

**Long Tr** (worked on Forward rows) = loosely work 1 Tr into vertical loop above bobbie 3 rows below

**MB (Make Bobbie)** = [yo, insert hook into next st, yo and draw loop through] 3 times into same st, yo, draw yarn through 6 loops

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, work 1 Tss into each of next 2 sts, \*MB into next st, 1 Tss into each of next 7 sts, rep from \* to last 4 sts, MB 1 Tss into each of last 3 sts, Return

**3rd row:** With 1 loop on hook, \*MB into next st, 1 Tss into each of next 3 sts, rep from \* to last 2 sts, MB 1 Tss into last st, Return

**4th row:** As 2nd row

**5th row:** With 1 loop on hook work 1 Tss into each st to end, Return

**6th row:** As 5th row

**7th row:** With 1 loop on hook, work 1 Tss into each of next 2 sts, \*work long Tr 1 Tss into each of next 7 sts, rep from \* to last 4 sts, work long Tr 1 Tss into each of last 3 sts, Return

Rep 2nd to 7th rows

## VI.22

Multiple of 5 sts + 3

**Note:** Colour is changed after each Forward row. Work first st of each Return row in new colour

### Special Abbreviation

**Cross 2** = miss next st, 1 Tss into next st, 1 Tss into missed st

Make chain in colour A

**1st row:** Using colour A as Basic Forward row. Using colour B Return

**2nd row:** Using B, with 1 loop on hook, \*1 Tss into next st, cross 2, rep from \* to last 2 sts, 1 Tss into next st, 1 Tss into last st, Using A Return

**3rd row:** Using A, with 1 loop on hook, \*1 Tss into next st, cross 2, rep from \* to last 2 sts, 1 Tss into next st, 1 Tss into last st, Using B Return

Rep 2nd and 3rd rows

## VI.23

Multiple of 2 sts + 3

### Special Abbreviation

**MB (Make Bobbie)** = work [yo, insert hook into next st, yo and draw loop through] 3 times into same st, yo, draw yarn through 6 loops

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, work 1 Tss into next st, \*MB into next st, 1 Tss into next st, rep from \* to last st, 1 Tss into last st, Return

**3rd row:** With 1 loop on hook, \*MB into next st, 1 Tss into next st, rep from \* to end, Return

Rep 2nd and 3rd rows

## VI.24

Multiple of 3 sts + 2

### Special Abbreviation

**Long Tdr** (worked on Forward rows) = loosely work 1 Tdr into vertical loop of next st 2 rows below

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, 1 Tss into next st, \*1 Tr into next st, 1 Tss into each of next 2 sts, rep from \* to end, Return

**3rd row:** With 1 loop on hook, work 1 Tss into each st to end, Return

Rep 3rd and 4th rows

## VI.25

Multiple of 2 sts + 1

**1st row:** As Basic Forward and Return row

**2nd row:** With 1 loop on hook, \*1 Tr into next st, 1 Tss into next st, rep from \* to end, Return

**3rd row:** With 1 loop on hook, \*work 1 Tss into next st, 1 Tr into next st, rep from \* to end, Return

Rep 2nd and 3rd rows

## VI.26

Multiple of 2 sts + 3.

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, \*Tss2tog, yo, rep from \* to last 2 sts, 1Tss into each of last 2 sts. Return.

**3rd row:** With 1 loop on hook, \*1Tss into next vertical loop, 1Tss under ch loop of next st, rep from \* to last 2 sts, 1Tss into each of last 2 sts. Return.

Rep 2nd and 3rd rows.

Rep these 2 sts

next st, [yo, Tss2tog] twice; rep from \* to last 3 sts, 1Tss into each of last 3 sts. Return.

**5th row:** With 1 loop on hook, 1Tss into each of next 5 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice; rep from \* to last 2 sts, 1Tss into each of last 2 sts. Return.

**6th row:** With 1 loop on hook, \*1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice; rep from \* to last st, 1Tss into last st. Return.

**7th row:** With 1 loop on hook, 1Tss into each of next 7 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, rep from \* to last 4 sts, yo, Tss2tog, 1Tss into each of last 2 sts. Return.

**8th row:** With 1 loop on hook, yo, Tss2tog, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, rep from \* to last 3 sts, yo, Tss2tog, 1Tss into last st. Return.

**9th row:** With 1 loop on hook, 1Tss under ch loop of next st, yo, Tss2tog, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts, 1Tss under ch loop of next st, rep from \* to last 2 sts, 1Tss into each of last 2 sts. Return.

**10th row:** With 1 loop on hook, [yo, Tss2tog] twice, \*1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice; rep from \* to last 8 sts, 1Tss into each of last 8 sts. Return.

**11th row:** With 1 loop on hook, \*1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts; rep from \* to last st, 1Tss into last st. Return.

**12th row:** With 1 loop on hook, 1Tss into next st, \*1Tss under ch loop of next st, [yo, Tss2tog] twice, 1Tss into each of next 6 sts; rep from \* to end. Return.

**13th row:** With 1 loop on hook, 1Tss into each of next 2 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, \*1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice; rep from \* to last 5 sts, 1Tss into each of last 5 sts. Return.

Rep 3rd to 13th rows.

Rep these 11 sts

## VI.27

Multiple of 7 sts + 7.

**Special Abbreviation**

**T3st cable** = miss next 2 sts, work 1Tss into 3rd st, work 1Tss into 2nd st, work 1Tss into 1st st.

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, 1Tss into next st, \*1Tss into each of next 3 sts, 1Tss into each of next 4 sts; rep from \* to last 5 sts, 1Tss into each of next 5 sts, 1Tss into next st, 1Tss into last st. Return.

**3rd and 4th rows:** Rep 2nd row twice.

**5th row:** With 1 loop on hook, 1Tss into next st, \*T3st cable, 1Tss into each of next 4 sts; rep from \* to last 5 sts, T3st cable, 1Tss into next st, 1Tss into last st. Return.

**6th to 11th rows:** Rep 2nd row 6 times.

Rep 5th to 11th rows.

Rep these 7 sts

**Diagram only:** Rep 2nd to 8th rows.

## VI.28

Multiple of 11 sts + 2.

**Note:** When working Tss2tog work through diagonal loop of yo of previous row where applicable.

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, 1Tss into each of next 3 sts, [yo, Tss2tog] twice, \*1Tss into each of next 7 sts, [yo, Tss2tog] twice; rep from \* to last 5 sts, 1Tss into each of last 5 sts. Return.

**3rd row:** With 1 loop on hook, 1Tss into each of next 3 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, \*1Tss into each of next 6 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice; rep from \* to last 4 sts, 1Tss into each of last 4 sts. Return.

**4th row:** With 1 loop on hook, 1Tss into each of next 4 sts, 1Tss under ch loop of next st, [yo, Tss2tog] twice, \*1Tss into each of next 6 sts, 1Tss under ch loop of

# VI. Tunisian Crochet

## VI.29

Multiple of 6 sts + 7.

### Special Abbreviation

**3 st triangle** = On Forward row work 1Ttr into previous st 2 rows below, work 1Tss into next st, work 1Ttr into next st 2 rows below, yo, draw hook through 3 loops. Return as follows: Yo, draw hook through 2 loops.

**1st row:** Using A, as Basic Forward and Return row.

**2nd row:** Using B, with 1 loop on hook, work 1Tss into next st, miss 1 st, work 1Tss into each of next 3 sts, rep from \* to last 5 sts, miss next st, work 1Tss into next st, miss next st, work 1Tss into each of last 2 sts. Return as follows: Yo, draw hook through 1 loop, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops 3 times, rep from \* until 4 loops remain on hook, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops twice.

**2nd row:** Using A, with 1 loop on hook, work 1Tss into next st, miss next st, work 3 st triangle, miss next sp, work 1Tss into each of next 3 sts, miss next sp, work 3 st triangle, miss next sp, rep from \* to last 2 sts, work 1Tss into each of last 2 sts. Return as follows: Yo, draw hook through 1 loop, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops 3 times, rep from \* until 4 loops remain on hook, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops twice.

**4th row:** Using B, with 1 loop on hook, miss next st, 1Tss under ch loop of next st, 1Tss into next st, 1Tss under ch loop of next st, miss 1 st, 1Tss into next st, rep from \* to end. Return as follows: Yo, draw hook through 1 loop, 1ch, yo, draw hook through 2 loops 3 times, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops twice.

**5th row:** Using A, with 1 loop on hook, work 1Ttr into next vertical loop 2 rows below, yo, draw hook through 2 loops, miss next sp, 1Tss into each of next 3 sts, miss next sp, work 3 st triangle, miss next sp, 1Tss into each of next 3 sts, miss next sp, rep from \* to last st, work 1Ttr into

previous st 2 rows below, 1Tss into last st, yo and through 2 loops. Return as follows: Yo, draw hook through 1 loop, 1ch, yo, draw hook through 2 loops 3 times, 1ch, yo, draw hook through 2 loops, rep from \* to end.

**5th row:** Using B, with 1 loop on hook, work 1Tss under ch loop of next st, miss next st, 1Tss into next st, miss next st, 1Tss under ch loop of next st, 1Tss into next st, rep from \* to end. Return as follows: Yo, draw hook through 1 loop, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops 3 times, rep from \* until 4 loops remain on hook, 1ch, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops twice.

Rep 3rd to 5th rows always working 1Ttr into sts 2 rows below.

Rep these 6 sts

\* = On Forward rows miss 1 st or space, on Return rows work 1ch.

† = With 1 loop on hook on Forward row work 1Tss and 1Ttr of 3 st triangle, return as normal.

‡ = On Forward row work 1Ttr of 3 st triangle and 1Tss, Return as normal.

## VI.30

Multiple of 2 sts - 1.

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, 2ch, miss next st, yo, 1Tss into next st, 2ch, rep from \* to end. Return.

**3rd row:** With 1 loop on hook, 2ch, miss next sp, yo, 1Tss into upper of 2ch of previous Forward row, 2ch, rep from \* to end. Return.

Rep 3rd row.

## VI.31

Multiple of 3 sts + 2.

### Special Abbreviations

**Fan** = work 3Ttr into centre of upper of 2ch in previous Forward row.

**Lace 3tog** = insert hook through next 3 vertical loops, yo, draw hook through, 2ch (on Return row 1ch, yo, draw hook through 2 loops, 1ch).

**Note:** Only count sts after 3rd row.

**1st row:** As Basic Forward and Return row.

**2nd row:** With 1 loop on hook, 2ch, "Lace 3tog, rep from \* to last st, 1Tss into last st, 2ch. Return as follows: Yo, draw hook through 1 loop, 1ch, yo, draw hook through 2 loops, 2ch, rep from \* until 3 loops remain on hook, yo, draw hook through 2 loops, 1ch, yo, draw hook through 2 loops.

**3rd row:** With 1 loop on hook, 2ch, "work 1 Fan, rep from \* to last st, 1Ttr into upper of last st. Return.

Rep 2nd and 3rd rows.

Rep these 3 sts

† = With 1 loop on hook at beginning of Forward row work 2ch, 1 loop to be worked off on Return row.

‡ = Into last st of Forward row work 1Tss, 2ch, on Return row work yo and through 1 loop.

Rep these 2 sts

† = With 1 loop on hook at beginning of Forward row work 2ch.

‡ = Miss next st, yo on Forward row, (1 loop to be worked off on Return row).

§ = 1Tss, 2ch on Forward row, (1 loop to be worked off on Return row). **Note:** On 3rd and every following Forward row work 1Tss into the upper of 2ch of previous Forward row.
